How Fast Fare Cards & Credit Cards Works

- 1. Tap your card every time you board the bus. Fare readers are located at all doors.
- 2. Your fare will automatically be deducted from your account.
- 3. If you need to make a transfer, still tap your card! You are eligible for a free two 2-hour transfer and will not be charged.
- 4. Continuing tapping every time you board. Once you hit the daily, weekly and monthly rates, you ride for free. Never pay for more rides than you take-this is called fare capping!
