

McKee and Fitchrona

With Route D2 being rerouted from Fitchrona Road and Nesbitt Road, bus stops 4828, 4713, 4132, and 4649 would close. Metro also recommends rerouting from Fitchrona Road to Kapec Road north of McKee Road to give riders better access to destinations east of the route. This change would eliminate the need for stop 4379, and relocate stops 4984 and 4541 south to McKee and Kapec. In addition, Metro recommends adding a stop pair at McKee and Manchester.
