

Boarding with Fast Fares

Tap your card on Metro's new fare readers every time you board!

When you board a Metro bus, simply:

- Find the closest fare reader. Readers are located at every door of the bus - front, middle and rear.
- Look for the contactless payment symbol on the reader. Riders can also run their hands along the edge of the reader and find the small, closely spaced bumps. Some readers are installed vertically, others are horizontal.
- Tap your Fast Fare card and wait for the screen to turn green and you hear the "BEEP!"
- Find your favorite spot and enjoy the ride!

Fast Fare Rules

1. Do not throw this card away!
These cards are meant for long-term continued use.
2. Do not damage or hole-punch the cards. This will ruin the card and it will no longer work. Metro is not responsible for damaged cards.
3. Metro is not responsible for lost cards/value that are not associated with an organization or a personal Fast Fare account.
4. Riders must create a Fast Fare account to be eligible for reduced fare pricing (youth, senior, disabled, low income).
