This errata sheet was issued under cover letter from the City of Madison on: June 3, 2022

Summary of Correction: This erratum addresses an error in the description of the relocation of the parcel at 1 S Butler St., Madison. The documents incorrectly describe the relocation as an "easement" rather than an "acquisition". The correction does not result in any additional impacts.

Corrections:

Appendix H: Acquisitions and Relocations Technical Report

Page 6: Third Paragraph. The second sentence incorrectly states that "Two full public parcels may be subject to a temporary easement for construction: 1 S Butler St. in Madison..."

The public parcel at 1 S Butler St. in Madison will be an "acquisition" and not a "temporary easement".

The corrected sentence is shown below (corrections in bold).

*" **One** ~~Two~~ full public parcels may be subject to a temporary easement for construction: ~~1 S Butler St. in Madison which is the City of Madison Brayton Parking Lot; and 2751 O'Keeffe Ave. in Sun Prairie which is the Sun Prairie Park-and-Ride owned by the City of Sun Prairie.~~"*

Page 11: Table 3: Potential Property Acquisitions and Easements, Public Parcels. The fourth parcel listed in the table (Parcel 070913325019) incorrectly indicates that the parcel at 1 S Butler St., in Madison is a "temporary easement" rather than an "acquisition" of 86,412 sq. feet.

As result of the relocation change at 1 S Butler St., the total of Estimated Impact Area (Square Feet) at the bottom of Page 11 for Acquisition and Temporary Easement should read as 270,281 sq. feet (6.21ac) and 1,205,625 sq. feet (27.68ac) respectively.

IMPACT OF CORRECTION

While the parcel at 1 S Butler St. in Madison was incorrectly described as a temporary easement both in Appendix H and the DCE Checklist, it was correctly analyzed as an acquisition. Therefore the original results and conclusions of the Acquisition and Temporary Easement Technical Report remain unchanged, and no additional impacts are identified.
