

NEW Service Starts **Sunday, June 11!**

Complete Update to **ALL** Metro Routes Coming in June!

Completely NEW Metro routes, maps and schedules go into effect on **Sunday, June 11**.

This will be a soft launch to see if there are any issues with how service operates on the road. Minor service tweaks and fixes will then roll out the last week in August.

Staff are putting finalized schedules together and hope to have them available in February or March along with updated online trip planning data.

Review early versions of new system and individual route maps now at mymetrobus.com/redesign.

Call (608) 266-4466 or email mymetrobus@cityofmadison.com to receive copies of these early versions in the mail. Printed maps will also be available at all Madison library locations for review.

Learn More About Upcoming Changes!

If you'd like Metro staff to talk to your organization or group about new redesigned service, call (608) 266-4466 or email mymetrobus@cityofmadison.com

Bus Stop Updates

Work continues on a number of bus stop changes that were approved back in July. Staff have also started removing bus stops that have been closed since prior to Covid-19 in preparation of June's service redesign.
