

# Public Hearing Notice

## Amendment to

# Transportation Improvement Program

The Greater Madison MPO will conduct a public hearing on an amendment to the [2025-2029 Transportation Improvement Program](#). The Transportation Improvement Program (TIP), which the Greater Madison MPO updates annually, is a coordinated listing of short-range transportation improvement projects anticipated to be undertaken in the next five-year period. The TIP is the mechanism by which the long-range transportation plan is implemented and represents the transportation improvement priorities of the region.

The hearing invites comments or concerns regarding the amendment, which would add the Interstate 39/90/94 (Beltline Highway to North County Line) reconstruction and capacity expansion project to the 2025-2029 TIP, as explained in this [memorandum](#).

For more information on the Interstate 39/90/94 reconstruction and capacity expansion project, see the [WisDOT Southwest Region Highway Projects and Studies webpage](#).
