Miles (Millas)

1 inch = approx. 1.5 miles (1 pulgada = aproximadamente 1.5 millas)

*May include short connections through parking lot or driveway.

**Shown for wayfinding purposes on urban streets through cities and villages. These are generally, but not in all cases, low or moderate traffic stress streets due to lower speeds and generally lower traffic volumes and/or bicycle facilities. Bike routes are generally not signed outside the Madison area.
