Parking tickets are assigned to the registered owner of a vehicle. If you received notice of a parking ticket after selling a vehicle, this indicates that the buyer had not yet registered the vehicle at the time it was ticketed. As the last registered owner, you must take action to resolve the parking ticket. Note that failure to take action on the ticket may result in additional fees or license plate suspension. The following options are available to you:

Provide a copy of the Bill of Sale

You may submit a Bill of Sale as proof that the vehicle was sold. Note that all of the elements below are required. An incomplete Bill of Sale cannot be accepted.

- Seller's Name and Address
- Buyer's Name and Address
- Make/Model/Year/Color of Vehicle
- License plate and/or VIN
- Signatures of Seller and Buyer
- Date of Sale

OR

Request a Vehicle Owner Modification

Submit a Request for Vehicle Owner Modification form (included on the reverse side of this letter.) To qualify as acceptable proof of sale, all fields must be completed, and the form must be notarized.

OR

Contest the ticket in parking court

Call Court Services at 608-266-4170 to request a parking court date to contest the ticket.

Alternatively, the ticket may be paid online at www.madisonpay.com or by mail/in person to the address above. If you have any questions, please contact Court Services at 608-266-4170.

Sincerely,
