The development and construction of Thousand Oaks Park is a joint partnership with Veridian Homes and Madison Parks using park impact fees from the 1000 Oaks Neighborhood development. As part of the new subdivision, this 15-acre park features an open field, a reservable 20' x 32' shelter, walking paths, a split log balance beam, a "rock" climber, a ZipKrooz® two-way zip line and a playground with swings.
