Playground Design Process

Playground Workshop

- Playground Requirements
 - Target User Group(s)
 - Equipment Play Factors
 - o Surfacing
- Project Scope
 - o Budget
 - Site Constraints
 - o Timetable
- Park Patron Input
 - PlaygroundManufacturer Options
 - o Colors

Playground Meeting

- Review project scope, budget, & timetable
- Discuss site factors to consider
- Present two options for manufacturer selected at first meeting
- Consider alternative components, as needed

Final Design

 Present final design for feedback via email (this may not be necessary if consensus is reached at the previous meeting)
