

Park Development Plan Summary

Introduction

Droster Park is part of the southeast area plan and was aquired by the City in 1959. Some improvements have been made to Eastmorland Park, but the park has remained in its current configuration since around 1995.

Existing Facilities

Existing park facilities include a playground, basketball court, sun shelter, backstop, engineering path and a park path.

Proposed Facilities

Special Conditions

12’ storm easement in Northwest section of park from Schenk St. Stormwater Engineering greenway through center and Northwest section of park
