

Park Development Plan Summary

Introduction

Lucy Lincoln Hiestand Park is part of the southwest area plan and was aquired by the City in 1978 for use as a park and for stormwater purposes. While some improvements have been made, the park has been in its current configuration since around 1995.

Existing Facilities

Existing park facilities include a playground, basketball court, community gardens, backstop, park paths and engineering paths.

Proposed Facilities

Special Conditions

Community garden lease.10'x10' underground electric easement on North edge of park.
