Poster

Odana Road Path - Orchard Drive to Odell Street

Alternative 1

Alternative 1

Closed median at Charles Lane

- + Improves pedestrian and bicycle crossing alignment and safety
- + Reduces crash risk for all users due to turning traffic
- Limits Charles Lane traffic to right-in, right-out turns

Alternative 2

Alternative 2

Open median at Charles Lane

- + Allows all turning movements at Charles Lane
- Mis-aligned bicycle crossing from Charles Lane to path
- May increase pedestrian and bicycle crash risk at crossing
- May increase motor vehicle crash risk due to turning traffic
