

Olin Park

1. Site Conditions

- Existing 2 tot, 2 belt, 2 accessible swing, will replace with the same only newer
- Currently no benches, these will be added
- 6 oaks within the existing inner playground area
- Existing accessible stalls and path do not meet ADA code so those will have to be updated.
- Existing structure is 22 years old
- The new playground will generally be in the same location, but because the path is not ADA we may shift it to the east to make ensure the least amount of grading and disturbance to the existing oaks.
- All existing equipment and pea gravel surfacing will be removed
- Budget for equipment is \$54,600

2. Proposed Age Range of Play Structure

- Olin Park has 2 playgrounds within 1 mile of the park
 - Bernie's Beach has a 2-5 play structure
 - Goodman has 5-12 play structure
- Since this is a community park, it will receive both a 2-5 and 5-12 play structure, as well as a tot, belt, and inclusive swings.
