 Neighborhood Assoc: Orchard Ridge

Park Development Plan Summary

Introduction

Orchard Ridge Park is part of the southwest area plan and was acquired by the City in 1955. With new walking paths, playground, and volleyball court, the park has been in its current configuration since 2021.

Existing Facilities

Existing park facilities include a playground, volleyball courts, and park paths.

Proposed Facilities

Special Conditions

East/West 10' storm drainage easement through center of park. 20' sanitary and storm easement on Southeast edge of park.
