RE: Approval of a conditional use for a major alteration to an existing single-family residence on a waterfront parcel at 2008 Waunona Way.

Dear Mr. Lobe:

The Plan Commission, meeting in regular session on December 15, 2008 determined that the ordinance standards could be met and **approved** your client's conditional use request for a major alteration to an existing single-family residence on a waterfront parcel at 2008 Waunona Way, subject to the conditions below. In order to receive final approval of the conditional use and for the conditional use to be in effect, the following conditions must be met and this letter signed and returned to the Zoning Administrator:

Please contact Janet Dailey, City Engineering, at 261-9688 if you have questions regarding the following two (2) items:

1. Revise site plan to show existing and proposed landscaping or structural features over or near the existing public sanitary sewer.
2. The plan set shall be revised to show more information on proposed drainage for the site. This shall be accomplished by using spot elevations and drainage arrows or through the use of proposed contours. It is necessary to show the location of drainage leaving the site to the public right-of-way. It may be necessary to provide information off the site to fully meet this requirement.

Please now follow the procedures listed below for obtaining your conditional use:

1. Please revise your plans per the above and submit **six (6) copies** of a complete plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting demolition and/or building permit approval.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved demolition permit.

If you have any questions regarding obtaining the conditional use approval, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP
Planner

I hereby acknowledge that I understand and will comply with the above conditions of approval for this conditional use.
