RE: Approval of a demolition permit for a fire-damaged two-unit building to allow construction of a new single-family residence in the R3 (Single and Two-Family Residence) District.

Dear Ms. Smith:

The Plan Commission, meeting in regular session on July 20, 2009 determined that the ordinance standards could be met and conditionally **approved** your request for the demolition of an existing fire-damaged building at 205 Judd Street. In order to receive final approval for the demolition permit, the following conditions must be met:

Please contact my office at 266-5974 if you have any questions about the following item:

1. When submitting final plans, the applicant will include a revised letter of intent to match the approved plans.

Please contact Janet Dailey, City Engineering at 261-9688 if you have questions about the following 5 items:

2. The applicant shall replace all sidewalk and curb and gutter which abuts the property which is damaged by the construction or any sidewalk and curb and gutter which the City Engineer determines needs to be replaced because it is not at a desirable grade regardless of whether the condition existed prior to beginning construction.
3. All in the public right-of-way shall be performed by a City licensed contractor.
4. The applicant shall obtain a Street Excavation permit for the installation of utilities required to serve this project. The Applicant shall pay the permit fee, inspection fee and street degradation fee as applicable and shall comply with all the conditions of the permit. This permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>.
5. The applicant shall obtain all necessary sewer connection permits and sewer plugging permits prior to any utility work.
6. Prior to approval of the application, the owner shall obtain a permit to plug each existing sanitary sewer lateral that serves a building that is proposed for demolition. For each lateral to be plugged the owner shall deposit \$1,000 with the City Engineer in two separate checks in the following amounts: (1). \$100 non-refundable deposit for the cost of inspection of the plugging by City staff; and (2). \$900 for the cost of City crews to perform the plugging. If the owner elects to complete the plugging of a lateral by private contractor and the plugging is inspected and approved by the City Engineer, the \$900 fee shall be refunded to the owner. This permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>.

Please contact Pat Anderson, Zoning Administrator at 266-5978 if you have questions about the following 2 items:

7. Provide reuse/recycling plan, to be reviewed and approved by The City's Recycling Coordinator, Mr. George Dreckmann, prior to a demolition permits being issued.

8. Sec. 28.12(12)(e) of the Madison Zoning Ordinance requires the submittal of documentation demonstrating compliance with the approved reuse and recycling plan. Please note, the owner must submit documentation of recycling and reuse within 60 days of completion of demolition.

Please contact Dennis Cawley, Madison Water Utility, at 261-9243 if you have questions about the following item:

9. Notify the Madison Water Utility to remove the water meter prior to demolition. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

Please contact Scott Strassburg, Madison Fire Department, at 261-9843 if you have questions regarding compliance with applicable ordinance standards.

Please now follow the procedures listed below for obtaining your conditional use permit:

1. Please revise your plans per the above and submit *seven (7) copies* of a complete plan set to the Zoning Administrator for final staff review and comment.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting the conditional use permit.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved conditional use permit.

If you have any questions regarding obtaining your conditional use permit, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP
Planner

I hereby acknowledge that I understand and will comply with the above conditions of approval for this conditional use permit.
