Dear Mr. Birrenkott:

The two-lot certified surveys of properties located at the above referenced addresses in Section 1, Township 7N, Range 10E, City of Madison, Dane County, Wisconsin, are hereby **conditionally approved**. Both sites are zoned R4 (General Residence District) and are developed with duplexes.

The conditions of approval from the reviewing agencies for the CSM are:

**Please contact Gary Dallmann, City Engineering, at (608) 266-4751 if you have questions regarding the following two items:**

2. Show underlying plat name “The Meadowlands” on adjoiners.
3. Arrows shall be added to both certified survey maps indicating the direction of drainage for each property line not fronting on a public street. In addition, the certified survey maps shall include lot corner elevations, for all lot corners, to the nearest 0.25-foot. The following notes shall be added to the certified survey map:

“Arrows indicate the direction of surface drainage swale at individual property lines. Said drainage swale shall be graded with the construction of each principal structure and maintained by the lot owner unless modified with the approval of the City Engineer. Elevations given are for property corners at ground level and shall be maintained by the lot owner.”

4. Each unit of a duplex building shall be served by a separate and independent sanitary sewer lateral.

**Please contact Kathy Voeck, the Assistant Zoning Administrator, at 266-4551 if you have questions regarding the following item:**
