RE: File No. LD 0817 – Certified survey map – 822-844 John Nolen Drive (Madison Boardwalk, LLC)

Dear Mr. Riley:

The one-lot certified survey combining your client's property located at 822-844 John Nolen Drive, Section 25, Township 7N, Range 9E, City of Madison, Dane County, Wisconsin, is hereby **conditionally approved**. The site is zoned C3L (Commercial Service & Distribution District). The conditions of approval from the reviewing agencies to be satisfied before final approval and recording of the CSM are:

Please contact Janet Dailey, City Engineering, at 261-9688 if you have questions regarding the following ten conditions:

1. The Surveyor's Certificate contains a typographical error of duplication in the commencement portion of the legal description. Remove duplication as necessary.
2. At the request of the City of Madison and Madison Gas & Electric (Mike Halcarz), have this CSM create a general public utility easement for the "Unrecorded 10' easement to MG&E Per CSM 6000" parallel to the Wisconsin Department of Transportation corridor.
3. Reference Madison Metropolitan Sewerage District as easement owner for the 15' wide sanitary sewer easement adjacent to the same WisDOT corridor. Also reference recorded Document Nos. of 718757 & 773253, which created said easement(s).
4. The developer shall dedicate right-of-way along the John Nolen Drive Frontage Road so as to provide a 14-foot terrace measured from the face of the existing curb to the new right of way line. This will provide adequate space for sidewalk and street trees.
5. The developer shall enter into a City/Developer agreement for the installation of public improvements required to serve this CSM. The developer shall be required to provide deposits to cover City labor and materials and surety to cover the cost of construction. The developer shall meet with the City Engineer to schedule preparation of the plans and the agreement. The City Engineer will not sign off on this CSM without the agreement executed by the developer.
6. The developer shall construct sidewalk and complete ditching along the John Nolen Drive frontage road to a plan approved by the City Engineer.

7. All outstanding Madison Metropolitan Sewerage District (MMSD) and City of Madison sanitary sewer connection charges are due and payable prior to Engineering sign-off, unless otherwise collected with a Developer's / Subdivision Contract. Contact Janet Dailey (261-9688) to obtain the final MMSD billing a minimum of two working days prior to requesting City Engineering signoff.
8. Wisconsin Administrative Code A-E 7.08 identifies when Public Land System (PLS) tie sheets must be filed with the Dane County Surveyor's office. The Developer's Surveyor and/or Applicant must submit copies of required tie sheets or condition reports for all monuments, including center of sections of record, used in this survey, to Eric Pederson, City Engineering. If a new tie sheet is not required under A-E 7.08, Engineering requests a copy of the latest tie sheet on record with Dane County Surveyor's Office. The Applicant shall identify monument types on all PLS corners included on the CSM. Note: Land tie to two PLS corners required.
9. In accordance with Section s.236.18(8), Wisconsin Statutes, the applicant shall reference City of Madison WCCS Dane Zone, 1997 Coordinates on all PLS corners on the Plat or Certified Survey Map in areas where this control exists. The surveyor shall identify any deviation from City Master Control with recorded and measured designations. The City of Madison has established WCCS, Dane Zone Coordinates on all PLS corners within its corporate boundary. Please visit the City of Madison Engineering Division web address http://gis.ci.madison.wi.us/Madison_PLSS/PLSS_TieSheets.html for current tie sheets and control data. If a surveyor encounters an area without a published WCCS Dane Zone 1997 value, contact Engineering Division for this information.
10. Prior to Engineering final sign-off by main office for Certified Survey Maps (CSM), the final CSM must be submitted to the Engineering Division Surveyor/ Land Records Coordinator for final technical review and approval. This submittal must occur a minimum of two working days prior to final Engineering Division sign-off. Electronic mail submittal of the **final** CSM in PDF format is preferred and should be transmitted to epederson@cityofmadison.com.

Please note that the City Real Estate Office is reviewing the report of title provided with this survey and may have comments. That office will send any comments to you by fax. If you have any questions, please contact Jeff Ekola at 267-8719 for more information.

A resolution authorizing the City to sign the CSM and any other documents related to the proposed land division will be approved by the Common Council on September 2, 2008.

A conditional use application to allow construction of a hotel/restaurant complex on the subject site is scheduled to be reviewed by the Plan Commission on August 18, 2008. Following that approval, this Certified Survey Map shall be executed and recorded prior to or along with final staff approval of the conditional use plans and prior to the issuance of building permits.

As soon as the comments and conditions have been satisfied as verified with a completed affidavit form (enclosed), the original along with the revised Certified Survey Map, with all signatures and approvals from the reviewing agencies, shall be brought to this office for final signoff. You or your client may then record the certified survey at the Dane County Register of Deeds. For information on recording procedures and fees, contact the Register of Deeds at 266-4141.

Upon acceptance and recording of the certified survey map by the Dane County Register of Deeds, please transfer the recorded volume, document number, and page numbers to the copies and forward a copy to this office for our records. The original survey map with the recording information is permanently kept on file in the Dane County Register of Deeds Office. A copy of the recorded document can be obtained from the Register of Deeds Office,

Room 110, City-County Building or the Real Estate Office in the Madison Department of Planning and Development.

Any appeal from this action, including the conditions of approval, must be filed with the Circuit Court within thirty (30) days from the date of this letter. The approval of this CSM shall be null and void if not recorded in **two years** from the date of the approving resolution. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 261-9632.

Sincerely,

Timothy M. Parks
Planner
