Michael:

Sorry that this was not sent sooner, but we went out of town on Wednesday last week and came back late Sunday night.

At the Eastmorland Community Association, Mr. Pfefferle showed us what he wanted to do with the property at 3502 Sargent Street, and all who attended were satisfied.

Sincerely,

Kathy Soukup  
President  
Eastmorland Community Association

Thanks so much for your courtesy and consideration at the meeting Tuesday. Your immediate decision was truly appreciated. Please send an email of acceptance to me at this email address. I plan to file on Monday with City planning.

I spoke with Larry Palm. He is also in favor of my project.

Sincerely,
