I have heard nothing more on the Henderson property. I have kept all informed. The WNA letter as I wrote before is the view of the Board. Thanks for all your help. If for any reason you want to get hold of me tomorrow, I can be reached at my cell at 692 0511. I will be pretty much at work all day.

Hi Phyllis-

I hope you're enjoying the holiday season! Per your request, I wanted to let you know that Bill Flanigan dropped off revised plans yesterday for the proposed home at 2708 Waunona Way. Based on our conversation, he is making a few very minor further revisions, and intends to send you a final version electronically this week. The property owner, Douglass Henderson, intends to present the project at the January 11 Plan Commission meeting.

Of course, after you have a chance to review the revised plans, we would welcome any further written comment from the Waunona Way Neighborhood Association, and I thought I'd provide the following "deadlines" for you to consider:

Wed., 1/5, Noon – Comments received can be included in the Plan Commission packet delivered in advance of the meeting

Mon. 1/11, 4pm – Comments received can be copied and handed out at the beginning of the Plan Commission meeting

Thanks Phyllis, and have a Happy New Year!

Heather
