RE: Approval of a demolition permit and conditional use at **1838 Camelot Drive** to raze an existing residence to allow the construction of a new residence on a lakefront lot

Dear Mr. Franzen:

At its December 2, 2013 meeting, the Plan Commission, meeting in regular session, approved your client's request for a demolition permit and conditional use to raze an existing residence to allow the construction of a new residence on a lakefront lot at 1838 Camelot Drive. In order to receive final approval of the demolition and conditional use and for permits to be issued, the following conditions must be met:

Please contact Janet Dailey, City Engineering Division, at 261-9688 if you have questions regarding the following four (4) items.

1. The applicant shall replace all sidewalk and curb and gutter which abuts the property which is damaged by the construction or any sidewalk and curb and gutter which the City Engineer determines needs to be replaced because it is not at a desirable grade regardless of whether the condition existed prior to beginning construction. (POLICY)
2. All damage to the pavement on Camelot Drive, adjacent to this development shall be restored in accordance with the City of Madison's Pavement Patching Criteria. For additional information please see the following link: <http://www.cityofmadison.com/engineering/patchingCriteria.cfm> (POLICY)
3. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)) PDF submittals shall contain the following information: a) building footprints, b) internal walkway areas, c) internal site parking areas, d) lot lines and right-of-way lines, e) Street names, f) Stormwater Management Facilities, and g) detail drawings associated with stormwater management facilities (including if applicable planting plans).
4. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing sanitary sewer lateral that serves a building which is proposed for demolition. For each lateral to be plugged the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. NOTE: As of January 1, 2013 new plugging procedures and permit fees go into effect. The new procedures and revised fee schedule is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))

Please contact Patrick Anderson, Zoning at 266-5978 if you have questions regarding the following four (4) items.

5. Section 28.138 (4)(a) 1. Lakefront Yard Setback: requires a setback average of the two (2) adjoining lots providing that the setback of those building's are within 20 feet of one another. A zoning code text amendment was approved by the Common Council on November 19, 2013 and the proposed setback complies with this standard.
6. Sec. 28.185 (7)(a)5. requires that if a demolition or removal permit is approved, it shall not be issued until the reuse and recycling plan is approved by the Recycling Coordinator, Mr. George Dreckmann. (608-267-2626).
7. Sec. 28.185 (10) Every person who is required to submit a reuse and recycling plan pursuant to Sec. 28.185(7) (a) 5. shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition.
8. No vegetation is proposed to be removed with 35' of the Ordinary High Water Mark (OHWM).

Please contact Bill Sullivan, Madison Fire Department, at 261-9658 if you have questions regarding the following item.

9. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D and SPS 382.40(3)(e). Additional information is available at the Home Fire Sprinkler Coalition website: <http://www.homefiresprinkler.org/Consumer/ConsHome.html>

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

No interior, exterior or structural demolition or wrecking activities or remodeling activities (including material reclamation activities by the applicant or a third party) shall commence nor any wrecking or building permits be issued until the applicant has met all of the conditions of approval stated in this letter.

Please now follow the procedures listed below:

1. Please revise your plans per the above conditions and submit nine (9) copies of a complete, fully dimensioned and scaled plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off. The final site plan shall be accompanied by the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard. The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.
2. This property is not in a wellhead protection district. All operating private wells shall be identified and permitted by the Water Utility in accordance with Madison General Ordinance 13.21. All unused private

wells shall be abandoned in accordance with Madison General Ordinance 13.21. The Water Utility will not need to sign off the final plans, and not need a copy of the approved plans.

3. A reuse and recycling plan approved by the Recycling Coordinator is required by ordinance prior to the issuance of a wrecking permit. The reuse and recycling plan shall be submitted along with the resubmittal of site plans for forwarding to the Recycling Coordinator.
4. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting demolition permit approval.
5. The approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
6. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use, demolition or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP
Planner
