Hi Jennifer,
I do recall your request.
I appreciate all the legwork you have done and to have coordinated this with the neighborhood association.
This confirms our approval.
When you have a moment, please send me a copy of Steve King's approval letter for our records.
Thanks and I wish you much success!

----- MESSAGE/COMMENTS -----

I had contacted someone at the end of last year about opening my salon in my home and there was no issues from the response I had received.. I have a letter of approval from the Alderman Steve King saying its ok, and I just needed a confirmation from someone from Country Grove that it was ok. I understand the stipulations that there is to be no signs displaying the business and traffic will not be a problem as I only do one client at a time and there is rarely an overlap and parking would be in my drive and not on the street. I just need a confirmation again from you so I can apply for my conditional use permit. Please contact me as soon as you can. I also have an approval letter from a few of the neighbors including Mark Hoffman. Thank you for your time and looking forward to hearing from you very soon!
Jennifer

To whom it may concern,

I am addressing this letter, to inform you as the neighbor who lives across the street from Steve and Jenny Pavlick, that I am completely in agreement with her having her hair saloon business within their home.

If anyone would have any questions please feel free to contact me either by phone 608-669-4772 or email hofy@charter.net Thank you for your time and consideration.

Regards,

A handwritten signature in black ink, appearing to read "Mark Hoffman", with a long horizontal line extending to the right.

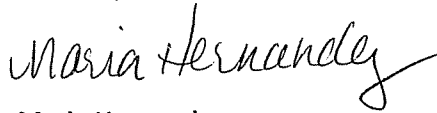

Mark Hoffman

To whom it may concern:

My family and I have lived next to Jennifer Pavlick for five and half years. Through the years, both her and her husband have been very responsible and respectful neighbors. Jennifer has shown great compassion for the neighborhood. Jennifer Pavlick is the right person to have her own business at home. This would not be a nuisance to my family and I as her next door neighbor. I'm positive she will conduct her business the rightful way and abide by the law.

Sincerely,

Maria Hernandez
