Zoning Board of Appeals

Madison Municipal Building

Dear Matt:

We urge you to grant the variance for the Lepping residence at 1634 Sherman Avenue.

We live next door at 1630 Sherman Avenue.

The house will be more attractive with a two car garage. The entire proposed addition gives the home a more harmonious look.

Yours truly,

Richard and Judith Ela

Subject: item on today's ZBA agenda

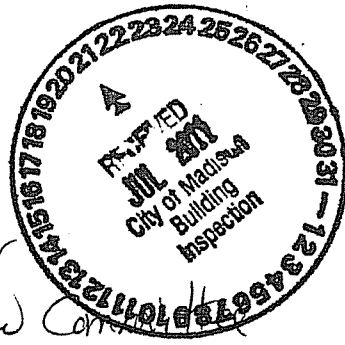

I own and live in the 4 unit apartment building on the north side of the Leppings' home at 1640 Sherman.

I want to go on record as **supporting their request for a side lot variance for a garage and second story addition.**

They have done a great deal to improve their home and property, and they have been wonderful neighbors to us all.

Thank you for listening and for assisting us with this matter,
