Dear Mr. Murphy and Members of the Plan Commission,

This is a letter of support on behalf of the residents of the Carpenter-Ridgeway Neighborhood Association for a Conditional Use Permit for the Ale Asylum, which is currently under construction at 2002 Pankratz Street. Construction is underway for the restaurant, tasting room and brewing facility, and the Ale Asylum is looking to incorporate an outside patio eating area as part of their new project.

The Carpenter-Ridgeway Neighborhood Association is in support of the new Ale Asylum Project, and we offer our continued support their application for a conditional use permit.

Sincerely,

Randall L. Glysch, President
