RE: Approval of a conditional use for a bicycle repair facility as a home occupation in an accessory building at 2838 Milwaukee Street.

Dear Mr. Seppa:

At its April 22, 2013 meeting, the Plan Commission found the standards met and **approved** your conditional use application for 2838 Milwaukee Street, subject to the conditions below. In order to receive final approval of the conditional use, and for any necessary permits to be issued for your project, the following conditions shall be met:

Please contact my office at 266-5974 if you have any questions regarding the following item:

1. If, in the future, zoning staff finds that bicycle parts or bicycles for sale are being stored outside on the property, the Plan Commission may revoke the conditional use for the property.

Please contact Pat Anderson of the Zoning Office at 266-5978 if you have any questions regarding the following two items:

2. Site plan shows an outdoor retail area. There shall be no outdoor retail, display, or storage area. The only exterior indication of a home occupation shall be a non-illuminated nameplate a maximum of (2) square feet in area. Final plan sets shall not show an outdoor retail area.
3. Business shall comply with the provisions of Section 28.151: Home Occupations.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency. Please now follow the procedures listed below for obtaining your conditional use permit:

1. Please revise the plans per the above conditions and file **four (4)** sets of complete, fully dimensioned, and to-scale plans, along with the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code. Also provide any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved conditional use.

If you have any questions regarding obtaining the conditional use approval, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 266-5974.

Sincerely,

Heather Stouder, AICP
