RE: Approval of a demolition permit and conditional use at **3302 Packers Avenue** to demolish a restaurant and construct a mixed use building with 6,700 square feet of commercial space and 61 apartment units.

At its June 17, 2013 meeting, the Plan Commission, meeting in regular session, approved your client's request for a demolition permit and conditional use to demolish a restaurant and construct a mixed use building with 6,700 square feet of commercial space and 61 apartment units at 3302 Packers Avenue. In order to receive final approval of the demolition and conditional use and for permits to be issued, the following conditions must be met:

**Please contact Janet Dailey, City Engineering Division, at 261-9688 if you have questions regarding the following twenty-three (23) items.**

1. The proposed new building crosses an underlying platted lot line. Current State building code and City enforcement requires the underlying platted lot line be dissolved by Certified Survey Map (CSM). The owner shall have a CSM prepared for submittal to City Planning for City approval and recording with the Dane County Register of Deeds.
2. The address for the future multi-use building shall use the approved address of 3304 Packers Avenue.
3. In accordance with 10.34 MGO – STREET NUMBERS - Submit a PDF of all floor/building plans to Engineering Mapping Lori Zenchenko ([Lzenchenko@cityofmadison.com](mailto:Lzenchenko@cityofmadison.com)) so that an addressing plan for the entire site can be developed. If there are any changes pertaining to the location of a unit, the deletion or addition of a unit, or to the location of the entrance into any unit, (before, during or after construction) the addresses may need to be changed. The interior address plan is subject to the review and approval of the Fire Marshal.
4. The applicant shall arrange obtain an ingress/egress easement over the property at 2034 Londonderry Drive for the proposed drive access.
5. The proposed drive apron and driveway do not appear to be lined up. It appears that the drive apron should be widened to match closer to the proposed access to the underground parking.
6. The applicant shall extend the public storm sewer on Packers Avenue to the north to connect the proposed boiretention area and the building roof drains.

7. The applicant shall dedicate a 10ft wide public sanitary sewer easement along the north property line. This may be accomplished with the required CSM.
8. The construction of this building will require removal and replacement of sidewalk, curb and gutter and possibly other parts of the City's infrastructure. The applicant shall enter into a City / Developer agreement for the improvements required for this development. The applicant shall be required to provide deposits to cover City labor and materials and surety to cover the cost of construction. The applicant shall meet with the City Engineer to schedule the development of the plans and the agreement. The City Engineer will not sign off on this project without the agreement executed by the developer. The developer shall sign the Developer's Acknowledgement prior to the City Engineer signing off on this project. (MGO 16.23(9)c)
9. The applicant shall close all abandoned driveways by replacing the curb in front of the driveways and restoring the terrace with grass. (POLICY)
10. The approval of this Conditional Use or PUD does not include the approval of the changes to roadways, sidewalks or utilities. The applicant shall obtain separate approval by the Board of Public Works and the Common Council for the restoration of the public right of way including any changes requested by developer. The City Engineer shall complete the final plans for the restoration with input from the developer. The curb location, grades, tree locations, tree species, lighting modifications and other items required to facilitate the development or restore the right of way shall be reviewed by the City Engineer, City Traffic Engineer, and City Forester. (MGO 16.23(9)(d)(6))
11. The applicant shall replace all sidewalk and curb and gutter which abuts the property which is damaged by the construction or any sidewalk and curb and gutter which the City Engineer determines needs to be replaced because it is not at a desirable grade regardless of whether the condition existed prior to beginning construction. (POLICY)
12. All work in the public right-of-way shall be performed by a City licensed contractor. (MGO 16.23(9)(c)5) and MGO 23.01)
13. All street tree locations and tree species within the right of way shall be reviewed and approved by City Forestry. Please submit a tree planting plan (in PDF format) to Dean Kahl, of the City Parks Department - [dkahl@cityofmadison.com](mailto:dkahl@cityofmadison.com) or 266-4816. Approval and permitting of any tree removal or replacement shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan. (POLICY)
14. All damage to the pavement on Packers Ave and Londonderry Dr, adjacent to this development shall be restored in accordance with the City of Madison's Pavement Patching Criteria. For additional information please see the following link: <http://www.cityofmadison.com/engineering/patchingCriteria.cfm> (POLICY)
15. The site plans shall be revised to show the location of all rain gutter down spout discharges. (POLICY)
16. The plan set shall be revised to show a proposed private internal drainage system on the site. This information shall include the depths and locations of structures and the type of pipe to be used. POLICY AND MGO 10.29
17. The applicant shall demonstrate compliance with Section 37.07 and 37.08 of the Madison General Ordinances regarding permissible soil loss rates. The erosion control plan shall include Universal Soil Loss Equation (USLE) computations for the construction period. Measures shall be implemented in order to maintain a soil loss rate below 7.5-tons per acre per year.

18. Prior to approval, this project shall comply with Chapter 37 of the Madison General Ordinances regarding stormwater management. Specifically, this development is required to a) Reduce TSS off of the proposed development by 80% when compared with the existing site and b) Complete an erosion control plan and complete weekly self-inspection of the erosion control practices and post these inspections to the City of Madison website – as required by Chapter 37 of the Madison General Ordinances.
19. The plan set shall be revised to show more information on proposed drainage for the site. This shall be accomplished by using spot elevations and drainage arrows or through the use of proposed contours. It is necessary to show the location of drainage leaving the site to the public right-of-way. It may be necessary to provide information off the site to fully meet this requirement. (POLICY)
20. The applicant shall submit, prior to plan sign-off, a digital CAD file (single file) to the Engineering Program Specialist in the Engineering Division (Lori Zenchenko). The digital CAD file shall be to scale and represent final construction. The single CAD file submittal can be either AutoCAD (dwg) Version 2001 or older, MicroStation (dgn) Version J or older, or Universal (dxf) format and contain only the following data, each on a separate layer name/level number: a) building footprints, b) internal walkway areas, c) internal site parking areas, d) other miscellaneous impervious areas (i.e. gravel, crushed stone, bituminous/asphalt, concrete, etc.), e) right-of-way lines (public and private), f) all underlying lot lines or parcel lines if unplatted, g) lot numbers or the words “unplatted”, h) lot/plat dimensions, i) street names, and all other levels (contours, elevations, etc) are not to be included with this file submittal.

NOTE: Email file transmissions preferred [addressing@cityofmadison.com](mailto:addressing@cityofmadison.com). Include the site address in the subject line of this transmittal. Any changes or additions to the location of the building, sidewalks, parking/pavement during construction will require a new CAD file. (POLICY and MGO 37.09(2) & 37.05(4))

21. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)) PDF submittals shall contain the following information: a) building footprints, b) internal walkway areas, c) internal site parking areas, d) lot lines and right-of-way lines, e) Street names, f) Stormwater Management Facilities, and g) detail drawings associated with stormwater management facilities (including if applicable planting plans).
22. The applicant's utility contractor shall obtain a connection permit and excavation permit prior to commencing the storm sewer construction. MGO 37.05(7) This permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>.
23. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing sanitary sewer lateral that serves a building which is proposed for demolition. For each lateral to be plugged the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. NOTE: As of January 1, 2013 new plugging procedures and permit fees go into effect. The new procedures and revised fee schedule is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))

**Please contact Eric Halvorson, Traffic Engineering Division, at 266-6572 if you have questions regarding the following four (4) items.**

24. Driveway access onto Londonderry Drive crosses adjacent property. A certified survey map or an easement shall be provided to provide legal access to Londonderry Drive. If an easement is provided it shall be shown on the site plan for 3302 Packers Avenue and the site plan for 2026 Londonderry Drive.

25. When the applicant submits plans for approval, the applicant shall show the following: items in the terrace as existing (e.g., signs and street light poles), type of surfaces, existing and proposed property lines, addresses, one contiguous plan (showing all easements, all pavement markings, building placement, and stalls), adjacent driveway approaches to lots on either side and across the street, signage, percent of slope, semitrailer movements and vehicle routes, dimensions of radii, aisles, driveways, stalls including the two (2) feet overhang, and a scaled drawing at 1" = 20'. Contact City Traffic Engineering if you have questions.
26. The developer shall post a deposit and reimburse the City for all costs associated with any modifications to Traffic Signals, Street Lighting, Signing and Pavement Marking, and conduit and handholes, including labor, engineering and materials for both temporary and permanent installations.
27. Public signing and marking related to the development may be required by the City Traffic Engineer for which the developer shall be financially responsible.

**Please contact Patrick Anderson, Zoning at 266-5978 if you have questions regarding the following eleven (11) items.**

28. Signage approvals are not granted by the Plan Commission. Signage must be reviewed for compliance with Chapter 31 Sign Codes of the Madison General Ordinances prior to sign installations.
29. Sec. 28.185 (7)(a)5. requires that if a demolition or removal permit is approved, it shall not be issued until the reuse and recycling plan is approved by the Recycling Coordinator, Mr. George Dreckmann. (608-267-2626).
30. Sec. 28.185 (10) Every person who is required to submit a reuse and recycling plan pursuant to Sec. 28.185(7)(a)5. shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition.
31. Pursuant to Sec. 28.142 (3) Landscape Plan and Design Standards: Landscape plans for zoning lots greater than ten thousand (10,000) square feet in size must be prepared by a registered landscape architect. Work with zoning staff to define developed area on final plan sets.
32. Bike parking shall comply with City of Madison General Ordinances Table 28I-3 (General Regulations). Provide 67 residential bike parking stalls in a safe and convenient location on an impervious surface to be shown on the final plan. When building permits are applied, bike parking for the commercial components will be addressed at that time. NOTE: A bike-parking stall is two feet by six feet with a five-foot access area. Provide details of bike rack on final plan sets.
33. Meet supplemental Regulations for Dwelling Units in Mixed-Use Buildings 28.151.
34. Sec. 28.061 (4)(c) requires all building facades visible from a public street or public walkway shall employ materials and design features similar to or complementary to those of the front facade.
35. Section 28.185(9) (a) A demolition or removal permit is valid for one (1) year from the date of the Plan Commission.

36. Parking requirements for persons with disabilities must comply with City of Madison General Ordinances Section 28.11 (3) 6.(m) which includes all applicable State accessible requirements, including but not limited to:
- a. Provide a minimum accessible stalls striped per State requirements. A minimum of one of the stalls shall be a van accessible stall 8' wide with an 8' striped out area.
  - b. Show signage at the head of the stalls. Accessible signs shall be a minimum of 60" between the bottom of the sign and the ground.
  - c. Show the accessible path from the stalls to the building. The stalls shall be as near the accessible entrance as possible. Show ramps, curbs, or wheel stops where required.
37. Eliminate the loading zone shown on site plan as it is not required subject to Chapter 28.
38. It appears the project exceeds the minimum requirement for usable open space pursuant to Section 28.140 as defined in Section 28.211, however; further clarification of these areas is needed. Work with zoning staff on final plan sets.

**Please contact Bill Sullivan, Madison Fire Department, at 261-9658 if you have questions regarding the following item.**

39. Provide fire apparatus access as required by IFC 503 2009 edition, MGO 34.503, as follows:
- a. The site plans shall clearly identify the location of all fire lanes.
  - b. IFC 503 Appendix D105, Provide an aerial apparatus access fire lane that is at least 26-feet wide, with the near edge of the fire lane within 30-feet and not closer than 15 feet from the structure, and parallel to one entire side of the structure, if any part of the building is over 30 feet in height.

**Please contact Kay Rutledge, Parks Division, at 266-4714 if you have questions regarding the following six (6) items.**

40. The developer shall pay approximately \$143,557.40 for park dedication and development fees for the new 61 MF unit building.
41. The developer must select a method for payment of park fees before signoff on the conditional use.
42. All proposed street tree removals within the right of way shall be reviewed by City Forestry. Please submit an existing inventory of trees (location, species, & DBH) and a tree removal plan (in PDF format) to Dean Kahl – [dkahl@cityofmadison.com](mailto:dkahl@cityofmadison.com) or 266-4816. Approval and permitting of street tree removals shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan.
43. Additional street trees are needed for this project. All street tree planting locations and trees species with the right of way shall be reviewed by City Forestry. Please submit a tree planting plan (in PDF format) to Dean Kahl – [dkahl@cityofmadison.com](mailto:dkahl@cityofmadison.com) or 266-4816. Approval and permitting of tree planting shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan. Tree planting specifications can be found in section 209 of City of Madison Standard Specifications for Public Works Construction - <http://www.cityofmadison.com/business/pw/documents/StdSpecs/2013/Part2.pdf>.

44. Existing street trees shall be protected. Please include the following note on the site plan: Contractor shall install tree protection fencing in the area between the curb and sidewalk and extend it at least 5 feet from both sides of the tree along the length of the terrace. No excavation is permitted within 5 feet of the outside edge of a tree trunk. If excavation within 5 feet of any tree is necessary, contractor shall contact City Forestry (266-4816) prior to excavation to assess the impact to the tree and root system. Tree pruning shall be coordinated with City Forestry. Tree protection specifications can be found in section 107.13 of City of Madison Standard Specifications for Public Works Construction – <http://www.cityofmadison.com/business/pw/documents/StdSpecs/2013/Part1.pdf>.
45. This development is within the Warner park impact fee district (SI21). Please reference ID# 13132 when contacting Parks about this project.

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**No interior, exterior or structural demolition or wrecking activities or remodeling activities (including material reclamation activities by the applicant or a third party) shall commence nor any wrecking or building permits be issued until the applicant has met all of the conditions of approval stated in this letter.**

**Please now follow the procedures listed below:**

1. Please revise your plans per the above conditions and submit ten (10) copies of a complete, fully dimensioned and scaled plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off. The final site plan shall be accompanied by the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard. The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.
2. This property is not in a wellhead protection district. All operating private wells shall be identified and permitted by the Water Utility in accordance with Madison General Ordinance 13.21. All unused private wells shall be abandoned in accordance with Madison General Ordinance 13.21. The Water Utility will not need to sign off the final plans, and not need a copy of the approved plans.
3. A reuse and recycling plan approved by the Recycling Coordinator is required by ordinance prior to the issuance of a wrecking permit. The reuse and recycling plan shall be submitted along with the resubmittal of site plans for forwarding to the Recycling Coordinator.
4. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting demolition permit approval.
5. The approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.

6. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use, demolition or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP  
Planner
