I am writing to you on behalf of the Global Conservation Group regarding Chick-fil-A's request for permit approvals at the address of 423 S. Gammon Road.

The City of Madison has always been a leader when it comes to supporting diversity and kindness of its citizens, however, allowing Chick-fil-A to construct an establishment in Madison would be turning our backs on a portion of our community; our LGBT (lesbian, gay, bisexual and transgender) friends, family and neighbors. I think it's important that the city sends a message that we want business here ... but what we can't have and don't want are businesses that have discriminatory roles.

Chicago and Boston both denied similar permit requests made by Chick-fil-A. In fact, Chicago Mayor Rahm Emanuel said "They disrespect our fellow neighbors and residents. This would be a bad investment, since it would be empty."

As a common visitor of Madison and on behalf of our Madison supporters, we ask you to consider denying the fast food chain's request. If you have any questions, or would like to speak further, please don't hesitate to email me at jordan.turner@globalconservationgroup.org or call me at 888-959-5403 ext:101

Thank you.

Subject: Chick fil A

Hello All,

Please deny them a building permit. They are awful hateful people who have no business in a beautiful diverse city like Madison.

Thank you and have a wonderful day,

Please deny Chick-fil-A's permit to build in Madison, Wisconsin. The company's total disregard for both human and animal rights is appalling.
Thank you.

As I understand it, Chick-fil-a is asking you to approve permits that would allow them to construct a restaurant near West Towne Mall.
Please deny their permit request as it would be a huge blow to human rights and the people of Madison.

Sincerely,
