RE: Conditional Use approval for 674 South Whitney Way to construct and operate an outdoor eating area for a restaurant and brewpub.

Dear Mr. Manning:

At its April 11, 2011 meeting, the Plan Commission, meeting in regular session, found the standards were met and approved your conditional use application to construct and operate an outdoor eating area for a restaurant and brewpub at 674 South Whitney Way. To receive final approval of the conditional use, the following conditions must be met:

Please contact Janet Dailey, City Engineering, at 261-9688 if you have any questions regarding the following two (2) items:

1. The retaining wall shall not be located within public right of way.
2. The applicant shall submit, prior to plan sign-off, a digital CAD file (single file) to the Engineering Program Specialist in the Engineering Division (Lori Zenchenko). The digital CAD file shall be to scale and represent final construction. The single CAD file submittal can be either AutoCAD (dwg) Version 2001 or older, MicroStation (dgn) Version J or older, or Universal (dxf) format and contain only the following data, each on a separate layer name/level number: building footprints, internal walkway areas, internal site parking areas, lot lines/ numbers/ dimensions, street names, and other miscellaneous impervious areas. All other levels (contours, elevations, etc) are not to be included with this file submittal. Email file transmissions preferred addressing@cityofmadison.com. Include the site address in the subject line of this transmittal. Any changes or additions to the location of the building, sidewalks, parking/pavement during construction will require a new CAD file.

Please contact Patrick Anderson, Assistant Zoning Administrator, at 266-5978 if you have any questions regarding the following eight (8) items:

3. Parking requirements for persons with disabilities must comply with City of Madison General Ordinances Section 28.11 (3) 6.(m) which includes all applicable State accessible requirements, including but not limited to:
 - a. Provide a minimum of four accessible stalls striped per State requirements. A minimum of one of the stalls shall be a van accessible stall 8' wide with an 8' striped out area adjacent.
 - b. Show signage at the head of the stalls.
 - c. Show the accessible path from the stalls to the building.

4. Bike parking shall comply with City of Madison General Ordinances Section 28.11.
5. Provide 8 bike parking stalls in a safe and convenient location on an impervious surface to be shown on the final plan. The bike racks shall be securely anchored to the ground or building to prevent the racks from moving. NOTE: A bike-parking stall is two feet by six feet with a five-foot access area.
6. Lighting is required and shall be in accordance with City of Madison General Ordinances Section 10.085. Provide a plan showing at least .5 foot candle on any surface on any lot and an average of .75 footcandles. The max. light trespass shall be 0.5 fc at 10 ft from the adjacent lot line. (See City of Madison lighting ordinance).
7. Meet applicable building/fire codes for the additional outdoor capacity and for ingress and egress of the establishment with the areas and uses for the site. Occupancy is established by the Building Inspection Unit. Contact Mike Van Erem at 266-4559 to help facilitate this process.
8. NOTE: Contact the City Clerk regarding the "change of license premise" to allow outdoor service to your liquor license.
9. 10. Parking & Loading shall comply with City of Madison General Ordinances Section 28.11 (4). Provide (1) 10' x 35' loading areas with 14' vertical clearance to be shown on the plan. The loading area shall be exclusive of drive aisle and maneuvering space.
10. Parking lot plans with greater than twenty (20) stalls shall comply with City of Madison General Ordinances Section 28.04 (12). Landscape plans must be stamped by a registered landscape architect. Provide a landscape worksheet with the final plans that shows that the landscaping provided meets the point and required tree ordinances. In order to count toward required points, the landscaping shall be within 15' and 20' of the parking lot depending on the type of landscape element. (Note: The required trees do not count toward the landscape point total.)

Please contact Bill Sullivan, Madison Fire Department, at 266-4420 if you have any questions regarding the following item:

11. Post the maximum capacity for each area of the restaurant and outdoor seating area. Occupancy capacity to be approved by Building Inspection.

Please now follow the procedures listed below for obtaining your conditional use:

1. Please submit seven (7) copies of a complete plan set to the Zoning Administrator for final review and comment.
2. This property is not in a Wellhead Protection District. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility. The Water Utility will not need to sign off the final plans, and not need a copy of the approved plans.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting demolition and/or building permit approval.
4. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved conditional use.

If you have any questions regarding obtaining the conditional use approval, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP
Planner
