RE: Approval of a conditional use for a tavern in an existing multi-tenant building in the Traditional Employment (TE) District.

Dear Ms. Bos:

At its February 9, 2015 meeting, the Plan Commission found the standards met and **approved** your conditional use request for a tavern at 849 East Washington Avenue, subject to the conditions below. In order to receive final approval of the conditional use, and for any necessary permits to be issued for your project, the following conditions shall be met:

Please contact my office at 266-5974 if you have questions regarding the following item:

1. Hours of operation are limited to 5:00 to 9:00 on weekdays and 2:00-9:00 on weekends. If approved by the Alcohol License Review Committee, extended hours may be requested by the applicant in the future as a minor alteration of the conditional use.

Please contact Pat Anderson of the Zoning Office at 266-5978 if you have any questions regarding the following item:

2. Provide two bicycle parking spaces subject to 28.141 (4)(g). Bicycle parking shall be located in a safe and convenient location on an impervious surface within 100 feet of the entrance to the tavern. A bicycle parking stall shall be 2 feet by 6 feet with a 5 foot clear access aisle. Provide a detail of the bicycle rack. Call out and dimension required stalls on the final plan.

Please contact Eric Halvorson of Traffic Engineering at 266-6527 if you have any questions regarding the following 2 items:

3. The applicant shall submit one contiguous plan showing proposed conditions and one contiguous plan showing existing conditions for approval. The plan drawings shall be scaled to 1" = 20' and include the following, when applicable: existing and proposed property lines; parcel addresses; all easements; pavement markings; signing; building placement; items in the terrace such as signs, street light poles, hydrants; surface types such as asphalt, concrete, grass, sidewalk; driveway approaches, including those adjacent to and across street from the project lot location; parking stall dimensions, including two (2) feet of vehicle overhang; drive aisle dimensions; semitrailer movement and vehicle routes; dimensions of radii; and percent of slope.
4. All parking facility design shall conform to MGO standards, as set in section 10.08(6).

Please contact Bill Sullivan of the Madison Fire Department at 261-9658 if you have any questions regarding the following item:

5. The Madison Fire Department does not object to this proposal provided the project complies with all applicable fire codes and ordinances.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency. No building permits shall be issued until the applicant has met all of the conditions of approval stated in this letter.

Please now follow the procedures listed below for obtaining your conditional use permit:

1. Please revise the plans per the above conditions and file **six (6)** sets of complete, fully dimensioned, and to-scale plans, along with the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code. Also provide any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved conditional use.

If you have any questions regarding obtaining the conditional use approval, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 266-5974.

Sincerely,

Heather Stouder, AICP
Planner

cc: Pat Anderson, Asst. Zoning Administrator
Eric Halvorson, Traffic Engineering
Bill Sullivan, Fire Department

I hereby acknowledge that I understand and will comply with the above conditions of approval for this conditional use permit.
