10. The following note shall be added to the CSM: "All lots created by this certified survey map are individually responsible for compliance with Chapter 37 of the Madison General Ordinances in regard to stormwater management at the time they develop."
11. A minimum of 2 working days prior to requesting City Engineering Division signoff on the CSM, the applicant shall contact Janet Schmidt (261-9688) to obtain the final stormwater utility charges that are due and payable prior to sub-division of the properties.
