RE: File No. LD 1407 – Certified Survey Map – 1025-1109 Jonathon Drive (Society of St. Vincent DePaul – Madison)

Dear Mr. Gross;

The one-lot certified survey of property located at 1025-1109 Jonathon Drive, Section 35, Township 7N, Range 9E, City of Madison, Dane County, Wisconsin, is hereby **conditionally approved**. The property is zoned IL (Industrial–Limited District). The conditions of approval from the reviewing agencies to be satisfied prior to final approval and recording of the CSM are:

Please contact Janet Schmidt of the City Engineering Division at 261-9688 if you have questions regarding the following nine (9) items:

1. Provide a length on the map for the electric easement per Document No. 2143026.
2. Show the limits of the paved areas within the Certified Survey Map (CSM).
3. The applicant shall provide a waiver of hearing and notice for future sidewalk on Jonathan Drive.
4. Correct the spelling of 'Marebeth' to 'Maribeth' in the City of Madison Common Council Resolution signature block.
5. The following note shall be placed on the CSM: "No changes in drainage patterns associated with development on any or all lots within this CSM shall be allowed without prior approval of the City Engineer."
6. A minimum of 2 working days prior to requesting City Engineering Division signoff on the CSM, the applicant shall contact Janet Schmidt (261-9688) to obtain the final stormwater utility charges that are due and payable prior to sub-division of the properties. The stormwater utility charges (as all utility charges) are due for the previous months of service. All charges shall be cleared prior to the land division (and subsequent obsolesces of the existing parcel).

7. All outstanding Madison Metropolitan Sewerage District (MMSD) charges are due and payable prior to City Engineering Division sign-off, unless otherwise collected with a Developer's / Subdivision Contract. Contact Janet Schmidt (261-9688) to obtain the final MMSD billing a minimum of 2 working days prior to requesting City Engineering signoff.
8. Wisconsin Administrative Code A-E 7.08 identifies when Public Land System (PLS) tie sheets must be filed with the Dane County Surveyor's office. The developer's surveyor and/or applicant must submit copies of required tie sheets or condition reports for all monuments, including center of sections of record, used in this survey, to Eric Pederson, City Engineering Division. If a new tie sheet is not required under A-E 7.08, Engineering requests a copy of the latest tie sheet on record with Dane County Surveyor's office. The applicant shall identify monument types on all PLS corners included on the plat or CSM. Note: Land tie to two PLS corners required.
9. In accordance with Section s. 236.18(8), Wisconsin Statutes, the applicant shall reference City of Madison WCCS Dane Zone 1997 Coordinates on all PLS corners on the plat in areas where this control exists. The surveyor shall identify any deviation from City Master Control with recorded and measured designations. The City has established WCCS, Dane Zone Coordinates on all PLS corners within its corporate boundary. Visit the City Engineering Division website for current tie sheets and control data (http://gis.ci.madison.wi.us/Madison_PLSS/PLSS_TieSheets.html). If a surveyor encounters an area without a published WCCS Dane Zone 1997 value, contact the City Engineering Division for this information.

Please contact Dennis Cawley of the Madison Water Utility at 261-9243 if you have any questions regarding the following item:

10. Note: All operating private wells shall be identified and permitted by the Madison Water Utility and all unused private wells shall be abandoned in accordance with MGO Sec. 13.21.

Please note that the City's Office of Real Estate Services is reviewing the report of title provided with this survey and may have comments to be addressed prior to final sign-off of the CSM. That office will send any comments to you by e-mail. If you have any questions, please Jenny Frese at 267-8719 for more information.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

A resolution approving the CSM and authorizing the City to sign it and any other documents related to the proposed land division was approved by the Common Council on May 6, 2014.

As soon as the comments and conditions have been satisfied as verified with a completed affidavit form (attached), the original along with the revised Certified Survey Map, with all signatures and approvals from the reviewing agencies, shall be brought to this office for final signoff. You or your client may then record the certified survey at the Dane County Register of Deeds. For information on recording procedures and fees, contact the Register of Deeds at 266-4141.

Prior to City Engineering final sign-off by the main office of the CSM, the final CSM shall be submitted to the Engineering Division Surveyor/ Land Records Coordinator for final technical review and approval.

This submittal must occur a minimum of two working days prior to final Engineering Division signoff. E-mail submittal of the final CSM in PDF form is preferred. Transmit to [jqumme@cityofmadison.com](mailto:jrqumme@cityofmadison.com).

The owner shall furnish to the Office of Real Estate Services and the survey firm preparing the CSM an updated title report covering the period between the date of the initial title report and the date when final signoff is requested. The surveyor shall update the CSM with the most recent information reported in the title update.

Upon acceptance and recording of the Certified Survey Map by the Dane County Register of Deeds, please transfer the recorded volume, document number, and page numbers to the copies and forward a copy to this office for our records. The original survey map with the recording information is permanently kept on file in the Dane County Register of Deeds Office. A copy of the recorded document can be obtained from the Register of Deeds Office, Room 110, City-County Building or the Real Estate Office in the Madison Department of Planning and Development.

Any appeal from this action, including the conditions of approval, must be filed with the Circuit Court within 30 days from the date of this letter. **The approval of this CSM shall be null and void if not recorded in six (6) months from the date of the approving resolution or this letter, whichever is later.**

If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 261-9632.

Sincerely,

Timothy M. Parks
Planner
