RE: Approval of the demolition of a single-family home for the construction of a new single-family home in the Suburban Residential - Consistent 1 (SR-C1) District.

Dear Mr. Hyman:

At its June 22, 2015 meeting, the Plan Commission found the standards met and **approved** your request for a demolition at 1111 Merrill Springs Road, subject to the conditions below. In order to receive final approval of the demolition, and for any necessary permits to be issued for your project, the following conditions shall be met:

Please contact my office at 266-5974 if you have questions regarding the following item:

1. Final plans submitted for staff review and approval shall include elevations with all exterior materials labeled.

Please contact Matt Tucker, Zoning Administrator at 266-4569 if you have questions regarding the following 4 items:

2. Provide building height measurements from "existing grade" on final plan sets. Any change of grade shall be noted on the plans. Note: Home may not exceed 35' maximum height limit.
3. Provide a reuse/recycling plan, to be reviewed and approved by The City's Recycling Coordinator, Mr. George Dreckmann, prior to a demolition permit being issued.
4. Sec 28.12(12)(e) of the Madison Zoning Ordinance requires the submittal of documentation demonstrating compliance with the approved reuse and recycling plan. Please note, the owner must submit documentation of recycling and reuse within 60 days of completion of demolition.
5. Sec. 28.185(9) (a) A demolition or removal permit is valid for one (1) year from the date of the Plan Commission.

Please contact Janet Schmidt, City Engineering Division at 261-9688 if you have questions regarding the following 8 items:

6. The west 30 feet of the parcel, shown as Merrill Springs Road was conveyed for public right of way in 1923 by Document No. 425808. Therefore the east boundary of the property is the east right of way as shown on the site plan, not along the center of the road as currently shown. Per the survey by Paul Spetz dated Nov. 10, 2013 revise the dimension of the north line of the property to read 181.18 feet and the south line to read 174.46, both dimensions being to the existing right of way shown on the plan.

7. The Applicant shall close all abandoned driveways by replacing the curb in front of the driveways and restoring the terrace with grass (POLICY).
8. All work in the public right-of-way shall be performed by a City licensed contractor (MGO 16.23(9)(c)5) and MGO 23.01).
9. All street tree locations and tree species within the right of way shall be reviewed and approved by City Forestry. Please submit a tree planting plan (in PDF format) to Dean Kahl, of the City Parks Department - dkahl@cityofmadison.com or 266-4816. Approval and permitting of any tree removal or replacement shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan (POLICY).
10. All damage to the pavement on Merrill Springs Road adjacent to this development shall be restored in accordance with the City of Madison's Pavement Patching Criteria. For additional information please see the following link: <http://www.cityofmadison.com/engineering/patchingCriteria.cfm> (POLICY).
11. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set (POLICY and MGO 37.09(2)).

PDF submittals shall contain the following information:

- a) Building footprints
 - b) Internal walkway areas
 - c) Internal site parking areas
 - d) Lot lines and right-of-way lines
 - e) Street names
 - f) Stormwater Management Facilities
 - g) Detail drawings associated with Stormwater Mgmt Facilities (including if applicable planting plans)
12. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing sanitary sewer lateral that serves a building which is proposed for demolition. For each lateral to be plugged the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. NOTE: As of January 1, 2013 new plugging procedures and permit fees go into effect. The new procedures and revised fee schedule is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14)).
 13. All outstanding Madison Metropolitan Sewerage District (MMSD) are due and payable prior Engineering sign-off, unless otherwise collected with a Developer's / Subdivision Contract. Contact Janet Schmidt (608-261-9688) to obtain the final MMSD billing a minimum of two (2) working days prior to requesting City Engineering signoff. (MGO 16.23(9)(d)(4)).

Please contact Dennis Cawley of the Water Utility at 266-4651 if you have any questions about the following 2 items:

14. This property is not in a wellhead protection district.
15. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

Please contact Bill Sullivan of the Fire Department at 261-9658 if you have any questions regarding the following 2 items:

16. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D and SPS 382.40(3)(e). Additional information is available at the Home Fire Sprinkler Coalition website: <http://www.homefiresprinkler.org/Consumer/ConsHome.html>.
17. Please consider allowing Madison Fire Dept. to conduct training sequences prior to demolition. Contact MFD Training Division to discuss possibilities: Lt. Scott Bavary (608) 576-0600.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency. No demolition or building permits shall be issued until the applicant has met all of the conditions of approval stated in this letter.

Please now follow the procedures listed below for obtaining your permits:

1. Please revise the plans per the above conditions and file **eight (8)** sets of complete, fully dimensioned, and to-scale plans, along with the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code. Also provide any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit.

If you have any questions regarding obtaining the demolition approval, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 266-5974.

Sincerely,

Heather Stouder, AICP

Planner
