RE: Approval of a demolition permit to allow a fire-damaged single-family residence at 1822 Lynndale Road to be demolished and a new residence to be constructed (Hughes).

Dear Mr. Bowers;

At its January 9, 2012 meeting, the Plan Commission found the standards met and **approved** your demolition permit application for 1822 Lynndale Road, subject to the conditions below. In order to receive final approval of the demolition permit and for any necessary permits to be issued for your project, the following conditions shall be met:

Please contact Janet Dailey of the City Engineering Division at 261-9688 if you have questions regarding the following items:

1. Prior to final approval of the demolition permit application, the owner shall obtain a permit to plug each existing sanitary sewer lateral that serves a building that is proposed for demolition. For each lateral to be plugged the owner shall deposit \$1,000 with the City Engineer in two separate checks in the following amounts: (1) \$100 non-refundable deposit for the cost of inspection of the plugging by City staff; and (2) \$900 for the cost of City crews to perform the plugging. If the owner elects to complete the plugging of a lateral by private contractor and the plugging is inspected and approved by the City Engineer, the \$900 fee shall be refunded to the owner.

Please contact Dennis Cawley of the Madison Water Utility at 261-9243 if you have any questions regarding the following item:

2. The Madison Water Utility shall be notified to remove the water meter prior to demolition. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

Please contact Patrick Anderson of the Zoning Office at 266-5978 if you have any questions regarding the following item:

3. Provide a reuse/recycling plan, to be reviewed and approved by the City Recycling Coordinator prior to a demolition permit being issued. Sec 28.12(12)(e) of the Zoning Ordinance requires the submittal of documentation demonstrating compliance with the approved reuse and recycling plan. Please note, the owner must submit documentation of recycling and reuse within 60 days of completion of demolition.

Please contact Bill Sullivan of the Madison Fire Department at 261-9658 if you have any questions regarding the following item:

4. Note: The Madison Fire Dept. recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D and Comm. 82.40(3)(e). Additional information is available at the Home Fire Sprinkler Coalition website: www.homefiresprinkler.org/Consumer/ConsHome.html
