Re: Application for Demolition
1521 Jefferson Street

Dear Plan Commission:

We moved to our home on Jefferson Street in 1978. I am familiar with this property and knew the Sullivans who owned the property and lived there for many decades until the mid-1990s.

I support the application to demolish and replace the single family residence at 1521 Jefferson Street, Madison, Wisconsin, with the understanding that this property be returned to compliance with the occupancy requirements of the zoning code. I hope that the plans for and construction of the new structure are conducive to occupancy by a family.

Sincerely,
