RE: Approval of the demolition of a single-family home for construction of a new single-family home at 413 South Midvale Boulevard.

Dear Mr. Cushman:

At its December 17, 2012 meeting, the Plan Commission found the standards met and **approved** your client's demolition permit application for 413 South Midvale Boulevard, subject to the conditions below. In order to receive final approval of the demolition permit and for any necessary permits to be issued for your project, the following conditions shall be met:

**Please contact Janet Dailey of the City Engineering Division at 261-9688 if you have questions regarding the following six (6) items:**

1. Sanitary lateral plug shall be in accordance with revisions to MGO Chapter 35 including additional fee for plugging at the main.
2. The Applicant shall replace all sidewalk and curb and gutter which abuts the property which is damaged by the construction or any sidewalk and curb and gutter which the City Engineer determines needs to be replaced because it is not at a desirable grade regardless of whether the condition existed prior to beginning construction.
3. All work in the public right-of-way shall be performed by a City licensed contractor.
4. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set. PDF submittals shall contain the following information:
  - a) Building footprints.
  - b) Internal walkway areas.
  - c) Internal site parking areas.
  - d) Lot lines and right-of-way lines.
  - e) Street names.
  - f) Stormwater Management Facilities.
  - g) Detail drawings associated with Stormwater Management Facilities (including if applicable planting plans)
5. Prior to approval of the conditional use application, the owner shall obtain a permit to plug each existing sanitary sewer lateral that serves a building that is proposed for demolition. For each

lateral to be plugged the owner shall deposit \$1,000 with the City Engineer. \$100 non-refundable deposit will cover for the cost of inspection of the plugging by City staff; and the remaining \$900 will cover the cost of City crews to perform the plugging. If the owner elects to complete the plugging of a lateral by private contractor and the plugging is inspected and approved by the City Engineer, the \$900 fee shall be refunded to the owner. This permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>

**Please contact Pat Anderson of the Zoning Office at 266-5978 if you have any questions regarding the following item:**

6. Provide a reuse/recycling plan, to be reviewed and approved by the City's Recycling Coordinator, Mr. George Dreckmann, prior to a demolition permit being issued (COMPLETED).
7. MGO Section 29.12(12)(e) requires the submittal of documentation demonstrating compliance with the approved reuse and recycling plan. Please note, the owner must submit documentation of recycling and reuse within 60 days of completion of demolition).

**Please contact Bill Sullivan of the Madison Fire Department at 261-9658 if you have any questions regarding the following item:**

8. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D and SPS 382.40(3)(e). Additional information is available at the Home Fire Sprinkler Coalition website: <http://www.homefiresprinkler.org/Consumer/ConsHome.html>.

**Please contact Dennis Cawley of the Madison Water Utility at 261-9243 if you have any questions regarding the following item:**

9. The Madison Water Utility shall be notified to remove the water meter prior to demolition. This property is not in a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**No interior, exterior or structural demolition or wrecking activities or remodeling activities (including material reclamation activities by the applicant or a third party) shall commence nor any wrecking or building permits be issued until the applicant has met all of the conditions of approval stated in this letter.**

**Approval of plans for this project does not include any approval to prune, remove or plant trees in the public right of way. Permission for such activities must be obtained from the City Forester, 266-4816.**

**Please now follow the procedures listed below for obtaining permits for your project:**

1. Please revise your plans per the above conditions and submit **five (5) copies** of a complete, fully dimensioned plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off.
2. Sec 28.12(12)(e) of the Zoning Ordinance requires the submittal of documentation demonstrating compliance with the approved reuse and recycling plan. Please note, the owner must submit documentation of recycling and reuse within 60 days of completion of demolition.
3. This letter shall be signed by the applicant and property owner (if not the applicant) to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.

If you have any questions regarding obtaining your building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 266-5974.

Sincerely,

Heather Stouder, AICP
