SUBJECT: **2810 Todd Drive – Landmark Gate**

Metro Transit has reviewed the subject development and has the following comments.

**MAJOR OR NON-STANDARD REVIEW COMMENTS** (Comments which are special to the project and/or may require additional work beyond a standard, more routine project.)

1. The developer shall install and maintain a bench or other seating amenity and a trash receptacle on the south side of the Frontage Road, west of Todd Drive. These amenities should be located on property side of the sidewalk, immediately west of the curb ramp and crosswalk leading north across the Frontage Road.
2. The developer shall include the location of these passenger amenities on the final documents filed with their permit application so that Metro Transit may review and approve the design.

### **GENERAL OR STANDARD REVIEW COMMENTS**

In addition, we offer the following General or Standard Review Comments:

3. Metro Transit operates bus service seven days a week along the Frontage Road between Seminole Highway and Todd Drive. The State Highway project requires the relocation of bus stops in this vicinity – and will be including a concrete passenger boarding pad adjacent the curb ramp for a new bus stop at the location of the amenities requested above.
4. Metro Transit requests to sign and review final documents submitted for this project.

Please contact Tim Sobota, Metro Transit at 261-4289  
or by email at <tsobota@cityodmadison.com>  
if you have questions regarding the above items.
