Subject: RE: 10/1 Plan Commission Agenda

Dear Ruth,

I'm writing in support of Item No. 9 - 27437 on tonight's Plan Commission Meeting agenda.

I recently met with Jeff Rosenberg and Brian Munson regarding the Autumn Lake Plat and hope that an improving economy can soon make this project a reality. As the alder for the area, I completely support re-approval of the GDP for Multi-Family Housing in the Village at Autumn Lake.

Please pass this on to Plan Commission members and contact me if anyone has questions.

Sincerely,

Joe Clausius
