Introduction:

This development is located on the south side of Old Sauk Road on Lot 26 of the Sauk Heights subdivision plat. The site is designated for C1 Limited Commercial District use and is currently being rezoned to PUD-GDP-SIP. The 28 unit residential component is being brought in as a PUD-SIP while the commercial components will remain PUD-GDP.

Site Planning & Building Architecture:

The site plan is designed to provide an integrated medium-density housing environment with a variety of rental apartments and commercial use buildings. Access to the site from Bear Claw Way is designed with sidewalks, terraces, street lighting and street trees. Pedestrian sidewalks connect Old Sauk Road to Bear Claw Way.

The 28-unit apartment gives a residential appearance to the development and provides a transition to the existing neighborhood to the south.

The three-story apartment building is located on the western portion of the site parallel to Bear Claw Way. This will have underground parking with additional surface parking provided in smaller surface parking areas.

The single story commercial use building is located at the corner of Old Sauk Road and Bear Claw Way. This facility will have surface parking and is connected to both Old Sauk Road and Bear Claw Way with pedestrian walk ways.

The commercial and residential buildings provide a variety of configurations, sizes and heights, which will create a rich and interesting environment. The building elements, materials and style will be a continuation of the existing Bear Claw and Greystone Developments.

Site Development Data:

Lot Area	50,092 S.F. or 1.15 acres
Lot 1	43,783, Square Feet
Lot 2	6,309 Square Feet

Project Schedule:

This project will be a phased development with construction planned to start in fall of 2011. Construction will proceed as market conditions warrant with the entire project currently scheduled for completion in 2014.

Social & Economic Impacts:

This development will have a positive social and economic impact.

Thank you for your time in reviewing our proposal.

Very Truly Yours,

Royal Oak & Associates, Inc.

Sincerely,

A handwritten signature in black ink, appearing to read 'E. W. Sandsnes', written in a cursive style.

Eric W. Sandsnes, PLS
