RE: Approval of a zoning map amendment at **502 Apollo Way** from PD-GDP (Planned Development – General Development Plan) to PD-GDP-SIP (Planned Development Specific Implementation Plan) to construct a four-story, 105 unit apartment building

Dear Mr. Stoddard:

At its November 19, 2013 meeting, the Common Council approved your client's application for a Zoning Map Amendment rezoning 502 Apollo Way from PD-GDP (Planned Development – General Development Plan) to PD-GDP-SIP (Planned Development Specific Implementation Plan). This approval is to construct a four-story, 105-unit apartment building. The following conditions of approval shall be satisfied prior to final approval and recording of the revised PD-GDP-SIP.

Please contact Janet Dailey, City Engineering Division, at 261-9688 if you have questions regarding the following seventeen (17) items:

1. The Site Plan and Dimensioned Site Plan shall also show the location all of the easements and restrictions as shown on the Existing Site Plan.
2. The parking lot along the north side of the site partially encroaches into the Non-exclusive Drainage Easement per Doc No. 3963053. Per the document, any grade change within any of the easement shall be approved by the City Engineer. Confirm with Jeff Benedict of City Engineering, jbenedict@cityofmadison.com to confirm if these proposed improvements within the easement conform to the existing Storm Water Drainage Plan for the development.
3. Remove the riprap from the apron end discharges to the public pond. TRM according to the WDOT PAL shall be used.
4. Bio2 has an elevation of 954.00 with a presumed bottom of "engineered" fill at 950 – this is at the perm elevation of water in the adjacent pond. This is unacceptable.
5. Provide information on how the drive down to the underground parking shall be drained.
6. Proposed sanitary sewer lateral into Apollo Way will be subject to the City of Madison patching criteria – 50-feet long mill and overlay. Cityofmadison.com/engineering/patchingcriteria.cfm

7. Sanitary sewer connection fees due with this development for the Heritage Prairie Sewer Assessment District.
8. Submit a PDF of all floor plans to izenchenko@cityofmadison.com so that a preliminary interior addressing plan can be developed. If there are any changes pertaining to the location of a unit, the deletion or addition of a unit, or to the location of the entrance into any unit, (before, during, or after construction) the addresses may need to be changed. The interior address plan is subject to the review and approval of the Fire Marshal.
9. All work in the public right-of-way shall be performed by a City licensed contractor. (MGO 16.23(9)(c)5) and MGO 23.01)
10. All damage to the pavement on Apollo Way, adjacent to this development shall be restored in accordance with the City of Madison's Pavement Patching Criteria. For additional information please see the following link: <http://www.cityofmadison.com/engineering/patchingCriteria.cfm> (POLICY)
11. The applicant shall demonstrate compliance with Section 37.07 and 37.08 of the Madison General Ordinances regarding permissible soil loss rates. The erosion control plan shall include Universal Soil Loss Equation (USLE) computations for the construction period. Measures shall be implemented in order to maintain a soil loss rate below 7.5-tons per acre per year.
12. Prior to approval, this project shall comply with Chapter 37 of the Madison General Ordinances regarding stormwater management. Specifically, this development is required to a) Provide infiltration in accordance with Chapter 37 of the Madison General Ordinances and b) Complete an erosion control plan and complete weekly self-inspection of the erosion control practices and post these inspections to the City of Madison website – as required by Chapter 37 of the Madison General Ordinances.
13. The applicant shall submit, prior to plan sign-off, a digital CAD file (single file) to the Engineering Program Specialist in the Engineering Division (Lori Zenchenko). The digital CAD file shall be to scale and represent final construction. The single CAD file submittal can be either AutoCAD (dwg) Version 2001 or older, MicroStation (dgn) Version J or older, or Universal (dxf) format and contain only the following data, each on a separate layer name/level number: a) Building Footprints, b) Internal Walkway Areas, c) Internal Site Parking Areas, d) Other Miscellaneous Impervious Areas (i.e. gravel, crushed stone, bituminous/asphalt, concrete, etc.), e) Right-of-Way lines (public and private), f) All Underlying Lot lines or parcel lines if unplatted, g) Lot numbers or the words "unplatted", h) Lot/Plat dimensions, i) Street names

All other levels (contours, elevations, etc) are not to be included with this file submittal.

NOTE: Email file transmissions preferred izenchenko@cityofmadison.com. Include the site address in the subject line of this transmittal. Any changes or additions to the location of the building, sidewalks, parking/pavement during construction will require a new CAD file. (POLICY and MGO 37.09(2) & 37.05(4)).

14. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set. (POLICY and MGO 37.09(2)) PDF submittals shall contain the following information: a) building footprints, b) internal walkway areas, c) internal site parking areas, d) lot lines and right-of-way lines, e) Street names, f) Stormwater Management Facilities, and g) detail drawings associated with stormwater management facilities (including if applicable planting plans).

15. The applicant shall submit prior to plan sign-off, electronic copies of any Stormwater Management Files including: a) SLAMM DAT files; b) RECARGA files; c) TR-55/HYDROCAD/Etc... and d) Sediment loading calculations.
16. The applicant's utility contractor shall obtain a connection permit and excavation permit prior to commencing the storm sewer construction. MGO 37.05(7) This permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>.
17. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing sanitary sewer lateral that serves a building which is proposed for demolition. For each lateral to be plugged the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. NOTE: As of January 1, 2013 new plugging procedures and permit fees go into effect. The new procedures and revised fee schedule is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))

Please contact Eric Halvorson, Traffic Engineering Division, at 266-6572 if you have questions regarding the following four (4) items.

18. When the applicant submits plans for approval, the applicant shall show the following on one contiguous plan: existing items in the terrace (e.g., signs and street light poles), type of surfaces, percent of slope, existing and proposed property lines, addresses, all easements, all pavement markings, building placement, adjacent driveway approaches to lots on either side and across the street, signage, semitrailer movements and vehicle routes, dimensions of radii, aisles, driveways, parking stall dimensions including the two (2) feet overhang on a scaled drawing at 1" = 20'. Contact City Traffic Engineering if you have questions.
19. The developer shall post a deposit and reimburse the City for all costs associated with any modification to traffic signals, street lighting, signing and pavement marking, and conduit/handholes, including labor, engineering and materials for both temporary and permanent installations.
20. Public signing and marking related to the development may be required by the City Traffic Engineer for which the developer shall be financially responsible.
21. All parking stalls shall conform to MGO standards as set in section 10.08(6)

Please contact Pat Anderson, Assistant Zoning Administrator, at 266-5978 if you have questions regarding the following four (4) items.

22. Exterior lighting provided shall be in accordance with City of Madison General Ordinances Section 10.085. Provide an exterior lighting plan and fixture cut sheets, with the final plan submittal.
23. Provide the minimum bike parking stalls including guest stalls in a safe and convenient location on an impervious surface subject to section 28.141(11) to be shown on the final plan. Bike parking shall comply with City of Madison General Ordinances Table 28I-3 (General Regulations). Provide details of bike rack.
24. Pursuant to Sec. 28.142 (3) Landscape Plan and Design Standards: Landscape plans for zoning lots greater than ten thousand (10,000) square feet in size must be prepared by a registered landscape architect.

25. Parking requirements for persons with disabilities must comply with City of Madison. Provide the minimum accessible stalls underground and surface accessible stalls with one being van accessible. General Ordinances Section 28.14 (4) (e) includes all applicable State accessible requirements.

Please contact Bill Sullivan, Madison Fire Department, at 261-9658 to if you have questions regarding the following item:

26. Provide fire apparatus access as required by IFC 503 2012 edition, MGO 34.503:

Provide a fire lane that extends to within 150-feet of all exterior portions of the structure, or it can be extended to within 250-feet if the building is fully sprinklered. This shall be measured along a walkable route. The retaining wall on the northwest side of site will restrict access from the fire lane shown on plans.

Please contact Kay Rutledge, Madison Parks Division, at 266-4714, if you have questions regarding the following four items.

27. The developer shall pay approximately \$247,107.00 for park dedication and development fees for the new 105 MF unit development.
28. The developer must select a method for payment of park fees before signoff on the conditional use.
29. Approval of plans for this project does not include any approval to prune, remove or plant trees in the public right-of-way. Permission for such activities must be obtained from the City Forester, 266-4816.
30. This development is within the Door Creek park impact fee district (SI23). Please reference ID# 13158 when contacting Parks about this project.

Please contact my office at 267-1150, if you have questions regarding the following three (3) items.

31. That plans comply with Highway Noise Land Use Provisions of Sec. 16.23(3)(d). A note shall be placed on the plans stating that the traffic-induced interior noise levels in the proposed building will not exceed 52 decibels and exterior highway-induced noise levels for all outdoor recreational areas will not exceed 67 decibels.
32. That the applicant receives final approval from the Urban Design Commission prior to final sign-off and recording. (Initial approval given at the October 23, 2013 meeting.)

The applicant is also required to satisfy the conditions of approval of the Urban Design Commission prior to the final staff approval of the project and the issuance of building permits. Please contact Al Martin, Urban Design Commission Secretary, at 267-8740 if you have any questions about those conditions.

Please now follow the procedures listed below:

After the planned development has been revised per the above conditions, please revise your plans per the above conditions and submit 10 copies of a complete, fully dimensioned and scaled plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off. The final site plan shall be accompanied by the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard. The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.

Upon receipt of the aforementioned plans, documents and fees, and upon determining that they are complete, the Zoning Administrator shall record them with the Dane County Register of Deeds Office. The recorded originals will be returned to the applicant, with the recording information noted, when the Register of Deeds has completed the recording process.

If this plan is not recorded within one year of the date of approval by the Common Council, the approval shall be null and void. No construction or alteration of the property included in this application shall be permitted until a Specific Implementation Plan (SIP) has been approved and recorded.

Within thirty-six (36) months of Common Council approval of the general development plan, the basic right of use for the areas, when in conformity with the approved specific implementation plan, shall lapse and be null and void unless 1) the project, as approved, is commenced by the issuance of a building permit, or 2) if an application for an extension is filed at least thirty (30) days prior to the expiration of the thirty-six (36) month period and the Plan Commission, after a public hearing pursuant to Sec. 28.181(5) determines that no changes in the surrounding area or neighborhood since approval of the general development plan render the project incompatible with current conditions and grants an extension of up to twenty-four (24) months in which to obtain a building permit. In no case shall an extension allow a building permit to be issued more than sixty (60) months after approval of the general development plan by the Common Council. If a new building permit is required pursuant to sec. 29.06(4), Madison General Ordinances, a new petition and approval process shall be required to obtain general development plan approval and specific implementation plan approval.

This property is not in a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility. The Water Utility will not need to sign off the final plans, and not need a copy of the approved plans.

If you have any questions regarding recording this plan or obtaining permits, please call Matt Tucker, Zoning Administrator, at 266-4551. If I may be of any further assistance, please do not hesitate to contact me at 267-1150.

Sincerely,

Kevin Firchow, AICP
Planner
