EXPERIENCE OUR PROGRAM.

Law Enforcement Exploring is a hands-on program open to young men and women who are interested in a career in law enforcement or a related field in the criminal justice system. You will have a chance to participate in local, regional, and national conferences and competitions.

Police Exploring offers young adults a personal awareness of the criminal justice system through training, practical experiences, competition, and other activities.

“ To promote personal growth through character development, respect for the rule of law, physical fitness, good citizenship and patriotism. ”
