CRIME PREVENTION

Remember these Prevention Tips

- Lock doors to your residence.
- Keep garage and vehicle doors locked.
- Secure sliding doors and windows.
- Mark your property and have the serial number written somewhere safe.
- Leave a light on or put a light on a timer.
- Use proper exterior lighting. Motion activated lights work well.
- Keep bushes and trees near your house well trimmed.
- Never leave a house key in an obvious place like a mailbox, or under a doormat.
- Don't advertise your assets. Hide laptop computers and other small electronic items when you are not using them.
- Work together with your neighbors.
- If you see anything suspicious in your neighborhood contact Madison Police Department.
