Hi, Jim.

I met with Sarah Crandall on Monday, representing both Visions and DMI Inc. Following that conversation, we both recommend the following actions for the three items on tomorrow's ALRC agenda:

5. 57099 Disciplinary Matter - Revocation Action: **Recommend approval**
34. 58144 Change of Licensed Premise: **Recommend referral to 1/15/20 ALRC meeting**
51. 56929 Entity Reorganization: **Recommend to place on file**

Could you please forward these recommendations on to ALRC members for consideration? I have both EDC and TC meetings in conflict and will not plan on attending the ALRC meeting this month. I am working with the applicant and neighborhood association to schedule a neighborhood meeting in advance of 12/18/19 ALRC meeting and will plan to be in attendance for that meeting when the new licenses are being considered.

Thanks for passing this on and please let me know if there are any questions.

Hi, Jim.

Unfortunately, I am unable to attend this evening's ALRC meeting. In my absence, could you please forward the below on to ALRC members and staff for their consideration? Thanks.

ALRC members,

I have not been contacted by the applicant to review this request aside from the request from the law firm to refer this item to a future meeting (I supported that request). Based on my understanding from the application, I am supportive of the proposed changes in the basement to improve the changing area and alcohol storage, but do not support the requested change in licensed premise on the first floor. I understand that the walls were previously constructed without ALRC or Building Inspection approval and that the establishment will need to come into compliance by either receiving ALRC approval for the licensed premise change (and associated building inspection approvals) or they will need to remove the unpermitted remodeling that has already occurred to conform with the current licensed premise.

Given the significant security issues at this establishment in the past, I do not support the addition of partition walls to create private booths at this time and would ask that you not approve that part of the request.

I'm sorry to miss the meeting, but appreciate your deliberation on this request.

THIS BUILDING HAS BEEN CLASSIFIED AS TYPE CONSTRUCTION. ☐ Sprinklered ☐ Unlimited area

CAPACITY:

This review was done at your request to see the potential capacity based on the applicable building codes. Assuming the building was sprinklered and the ALRC approves an increase in capacity and no other modification were made, the capacity could be 560 people total of which 260 people could be on the roof at any given time. THIS LETTER SERVES AS A CORRECTION TO THE ORIGINAL LETTER SENT ON NOVEMBER 25th.

There has been no review for compliance with other applicable codes.

Please note the current capacity is still 386 people.

This review only sets a capacity. There has been no review for compliance with applicable codes.

Bill,
I corrected the capacity letter and attached it to the email.

I talked to George Hank this morning and he does not want me to include a statement about the bathrooms on the letter. However, he said that I could include a statement in this email.

If you were to add a sprinkler system and increase the number of toilet fixture to 13 female and 12 male fixture your maximum capacity could go to 648 people on the first floor and 260 on the roof top for a total of 908 people.

Entertainment License:

Type of live entertainment to be offered: The Tinsmith is a private reception hall with a focus on weddings, and corporate/non-profit meetings and events. People who have rented our reception hall may hire string quartets, pianists, etc. for wedding ceremonies and DJs and local bands for private receptions. The live entertainment would be a compliment to another event (ie. a wedding or corporate/non-profit event).

Number of security personnel and how they will be utilized: We will have 1 staff per 75 people in the reception hall who are trained in de-escalation techniques, crowd control and first aid in case of injury or medical emergency. There will be at least two dedicated staff members who will be greeting and roaming the facility at all times of operations. All staff will be trained on our security procedures and protocols before employment and must agree to abide by them.

Description of clothing to identify security personnel: Staff will be dressed in uniform that will clearly distinguish them from any guests.

Plan to handle control and clearance of the parking lot during hours of operation and at closing time: There is no onsite parking. Staffers will communicate to guests as they leave to be aware of the shared neighborhood and surroundings. This is primarily a mixed industrial area with no adjacent housing. We do not anticipate any major noise concerns or complaints.

How will the entrance line be managed and controlled: This event space has two large entrances which will allow for a steady flow in and out of the venue. This is a private reception hall not open to the public and we will not have a large entry line as one would with a public venue. We will have a dedicated staffer greeting at the door as to ensure we do not have uninvited persons entering.

Plan for unruly patrons, intoxicated patrons, and physical disturbances: All staff will have extensive training on proper service etiquette including how to identify an intoxicated guest and techniques for politely "cutting guests off". All staff members will also be trained in de-escalation techniques to deal with unruly guests and our hand off approach to confrontation. Any physical disturbance or violence will result in the guest being escorted from the premise and non emergency police called, at which time any surveillance video footage will be furnished to police upon request.

Underage drinking and fake ID plan: The Tinsmith will comply with the identification requirements in Sec. 38.04 (6) of Madison General Ordinance. All staff will be trained on how to check IDs, fake id trends and ways to spot an underage person using the real ID of another person. Any fake IDs discovered will be confiscated and later turned into the police department for proper disposal. No one under the age of 21 will be served alcohol, even if with their parent is in this establishment. Guests that are of age will be given wristbands to order alcoholic beverages.

Plan to control and supervise patrons under twenty-one (21) years of age: Trained staff will roam the reception hall keeping an eye out for anyone without a wristband who has a beverage. Anyone found to be drinking underage, altering wristbands or any other dubious behavior intended to undermine the rules of the law and establishment will kindly be asked to leave and escorted off the premise.

How will orderly appearance and operation of the premises be maintained in regard to litter and noise: Staff will walk the exterior of the premise and its immediate surroundings nightly to clean any and all items that may have come from our establishment. Staff will be present outside at the end of the night to monitor guest noise as guests leave.

Visual and Performing Arts License (18+)

Plan to ensure compliance with time requirements for patrons under the age of twenty-one (21):
In compliance with section 38.06 of the Madison general ordinances, events will have clear designated start and stop times in writing on any event literature. This establishment is not open to the public therefore times of event will not be publicized. Any contract for booked events will clearly state the start and stop time of the entertainment and requirements for underage persons to vacate the premises. No persons under the age of 21 shall be allowed on the premises more than 30 mins before the event entertainment begins. At the conclusion of entertainment, staff will direct guests to exit the premises within 30 mins and usher them out ensuring the exit of all individuals not employed at the establishment or allowed by law to remain on the premises pursuant to section 38.04 of the Madison general ordinances.

Plan to limit patrons under the age of twenty-one (21) to appropriate areas:
During 18+ events the bar area will be clearly separated with stanchions monitored by a staff member to ensure only those properly identified as of age are allowed to remain in the bar area where alcohol is sold. There will remain a separate area of the bar where non alcoholic beverages can be purchased. Of age and not of age individuals will be indicated with the use of wristbands and stamps. Any person without both a wristband and a stamp will not be served an alcoholic beverage. A private, third party security company will be used in addition to our staff at events with a high number of under 21 guests counts to ensure no underage drinking is occurring.

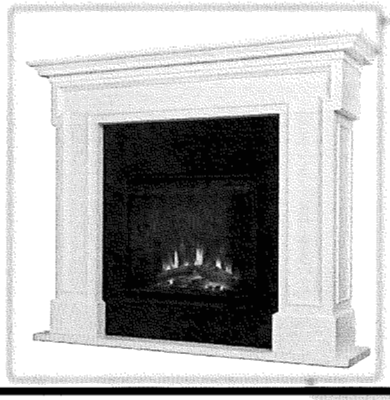
BUSINESS DESCRIPTION

Twisted Grounds will seek to provide a rustic chic atmosphere equipped with a wood bar, concrete flooring, industrial lighting, piped shelfing, a fireplace, chesterfield couches, and antique furniture. We strive to provide multiple customer experiences and solutions within the business to accommodate the differentiating needs of our neighborhood demographic. This includes study sections for today's numerous remote workers, comfortable couch seating for those looking for a more relaxed environment, and order ahead functionality for those on the go.



Twisted Grounds will focus on quality and efficiency. We will only offer exceptional coffee roasted by JBC Coffee Roasters: in December of 2018, Forbes named JBC as, "One of the 12 best coffee roasters in the U.S." The Twisted Grounds staff will be efficient and friendly. We will implement a loyalty program to gain and retain regulars. Our staff will become familiar with our customers and will make a conscious effort to learn our customers by name.

Support for other Madison local businesses is important to us. All of our bakery items will come from local bakeries including JD's Bakery, Café Brittoli, and Batch Bakehouse. As Twisted Grounds continues to evolve and grow, we would love to bake some of our own items in-house.

Our menu will be concise and selective. People are bombarded with having to make numerous decisions throughout their days. Twisted Grounds wants to take some of that chaos away. Our focus will be on serving consistent quality fresh food. With only the best recipes, there is something on the menu for all. Even if one orders the simple "Classic Breakfast Sandwich," we want that to be the best "Classic Breakfast Sandwich," our customers have ever had each and every time.

Twisted Grounds wants to bring our own unique flair to our community. With multiple specialty items in rotation on the menu – we will always have items you may have never heard of but won't want to wait to try (such as indulging in one of our heavenly bubble waffles).

Our goal is to be the center of our neighborhood. We are so fortunate to be located in an amazing community, and it is extremely important for us to be involved. Twisted Grounds encourages group meetings at our location as well as different events and fundraisers. We plan to have an active social calendar and cannot wait to give back to the amazing community that has accepted us.

THE TINSMITH

The Tinsmith is a reception hall available for rent for weddings, corporate meetings and conferences, non-profit galas, and other events. It is located at 828 E. Main St, an original Trachte Brothers' building once home to Kleenaire Corporation. The building has been vacant for 10 years and we are in the middle of a full renovation of the building, with a focus on preserving as much of the existing character of the building as possible. The building will appeal to engaged couples and Madison businesses looking for a one-of-a-kind, industrial-style reception hall to host their next event. We plan to open May 1, 2020.

The Tinsmith will be available for private rental 7 days per week, and we anticipate hosting 1-2 events per week. We estimate 85% of our business will be weddings, and 15% will be corporate meetings and conferences and non-profit and community events. Our size and location also lend itself to hosting community events such as art shows, makers' markets and farmers' markets, but this is not our primary focus.

Our city building occupancy is 500 and we anticipate 95% of our events will be under 210 guests because we can only seat up to 210 guests in our wedding ceremony hall, and a majority of our business will be weddings.

The venue will be fully staffed while it is rented. Our staff will consist of Venue Director, Operations Director, Bar Manager, Day-of Event Staff, and Bartenders. We do not provide catering. Clients renting The Tinsmith may bring in food from any licensed caterer they would like. As part of our business plan, The Tinsmith will serve alcohol to clients renting the space.
