Alder Bill Tishler is hosting a book club discussion on “How Minds Change: The Surprising Science of Belief, Opinion, and Persuasion” by David McRaney at Sequoya Library on Wednesday, January 17, 2024, from 7:00 – 8:30 pm. This discussion will surround the book’s premise that disengaging from tribal conflicts during discussions can promote a higher level of critical thinking. Members of the Common Council have been invited to attend, and a possible quorum of the Common Council may exist at this event.
