

# FRIDGE OF ERRORS

It's time to clean out the fridge. Some of these things belong in the green recycling cart. And some are okay for composting. But there's problems. **There are 20 things in this fridge that CAN NOT go into recycling cart and CAN NOT be composted at a city drop-off point.** Can you find all 20 items?

This is a tough one! See a *full* answer key on our website
