

Parking Safety Reminders

Don't rush!

When you're in a rush during pick-ups or drop-offs it's easy to forget about parking rules, but they still apply even if you park there momentarily.

- Be sure not to block driveways in the neighborhood
- Remind children to wait for cars to pass before opening car doors or while exiting the vehicle
- Make sure everyone knows their designated pick-up spot.

Please do not stop or park in the bus zone

- Make sure children walk at least ten feet in front of the bus to cross the street. Kids and bus drivers should always be able to see each other.
