The diagram illustrates a proposed street layout at the intersection of O'Neill Ave, Ruskin St, and Aberg Ave. A north arrow is located in the top right corner. The intersection of O'Neill Ave and Ruskin St is shown in the upper left. Aberg Ave runs horizontally across the middle. A proposed bike lane, indicated by a bicycle symbol, runs along Aberg Ave, featuring a center turn lane. Property lines and various street markings, including crosswalks and lane boundaries, are detailed throughout the plan.

The diagram is a technical street layout showing the intersection of three streets: O'NEILL AVE, RUSKIN ST, and ABERG AVE. A north arrow is located in the top right corner, pointing towards the top of the page. O'NEILL AVE runs vertically along the right side of the diagram. RUSKIN ST runs vertically along the left side of the diagram. ABERG AVE runs horizontally across the bottom of the diagram. The intersection of O'NEILL AVE and ABERG AVE is shown with a north arrow pointing towards the top of the page. The intersection of RUSKIN ST and ABERG AVE is shown with a north arrow pointing towards the top of the page. The diagram includes lane markings, including a center line and edge lines. There are also bicycle symbols (a person on a bike) located on the horizontal road segments, indicating bicycle lanes or paths. The overall layout is a technical drawing of a street intersection, likely for planning or engineering purposes.
