

Table of Contents

Chapter 1 Introduction

A. Bicycle Plan Scope and Purposes	1
Plan Scope	2
Plan Purposes	2
B. Legislative and Planning Context	3
Relationship to Other Bicycle and Local Plans	4
C. Public Participation	5
D. Plan Organization	5

Chapter 2 The Importance of Bicycling and Bicyclists' Needs

A. The Benefits of Bicycling	7
B. Improving Bicycling Conditions	8
Meet the Needs of All Types of Bicyclists	8
Accommodate Bicyclists on Roadways	8
Provide Appropriate Facilities	9
Provide Safe Intersections and Street Crossings	10
Ensure That Traffic Signals Work for Bicyclists	11
Eliminate Barriers and Hazards to Bicyclists	11
Utilize Opportunities for Off-Street Facilities	12
Ensure Regular Facility Maintenance	12
Implement Neighborhood Traffic Management Strategies	13
Provide Convenient, Secure Parking and Other Ancillary Facilities	13
Provide Intermodal Connections	13
Bicycle-Friendly Land Use and Street Design	14
Provide Education and Training Opportunities and Encouragement	15
Enforce Traffic Laws	15

Chapter 3 Existing Bicycle Travel and Conditions

A. Existing Bicycle Travel	17
Bicycling Levels	17
Bicycle Trip Characteristics	19
Bicyclist Demographics	19
B. Existing Bicycle Facilities and Conditions in the Madison Urban Area	20
On-Street Bicycle Facilities	20
Bicycle Compatibility Evaluation of Madison Area Roadways	23
Off-Street Bicycle Facilities	31
Bicycle Parking Facilities and Access to Transit	32
Planned Bicycle Facilities with Approval Funding	32
C. Existing Bicycle Facilities and Conditions in Dane County	33
On-Road Bicycle Facilities	33
Bicycle Suitability Analysis of Rural Roadways in Dane County	33
Bicycle Facilities Associated with Utility or Natural Resource Corridors	34
Planned Facilities with Approved Funding	34

Chapter 4 Existing Policies and Plans Related to Bicycling

A. Federal Transportation Policy	37
B. State Bicycle-Related Plans, Policies, and Programs	38
Translinks 21	38
State Bicycle Transportation Plan	38
WisDOT Policy Regarding Provision of Bicycle Facilities on State Highways	38
WisDOT Bicycle and Pedestrian Transportation Program	38
C. Madison Area MPO Bicycle-Related Plans and Policies	39
Dane County Land Use & Transportation Plan	39
MPO Project Ranking Process	39
D. County Bicycle-Related Plans and Policies	39
Dane County Land Use and Transportation Plan	39
Dane County Executive <i>Design Dane!</i> Report	39
Dane County Highway and Transportation Department Policies and Programs	40
County Parks and Open Space Plan	40
Northern Lake Mendota Regional Plan	40
E. Local Community Bicycle-Related Plans, Policies, and Regulations	41
Central Urban Area Communities	41
University of Wisconsin	44
Outer Area Communities	44

Chapter 5 Bicycle Operation and Safety Considerations and Current Educational, Encouragement, and Enforcement Programs and Activities

A. Wisconsin Laws Governing Bicyclists	45
Lake Positioning, Use of Shoulders, Turning	45
Passing Clearances	45
Riding Two Abreast	45
Use of Sidewalks	45
Use of Off-Street Paths	46
Bicycling at Night	46
Regulatory Authority of Local Governments	46
B. Bicycle Crashes	46
Trends and Characteristics of Bicycle Crashes and Bicyclists Involved in Them	46
Bicycle Crash Types and Contributing Factors	48
Summary	50
C. Bicycle Safety Education and Training	50
Existing Bicycle Safety and Training Programs and Resources	50
D. Encouragement Activities and Policies	52
Information and Maps	52
Programs and Projects	52
Events	53
E. Enforcement	53

Chapter 6 Making the Region an Even Better Place to Bicycle: Goals and Objectives and Recommended Actions

A. Vision, Goals, and Objectives	55
Bicycling Vision for the Region	55
Bicycle Plan Goals	55
Bicycle Plan Objectives	55
B. Recommended Actions	58
Bicycle Facilities Planning and Development	58
Facilities Maintenance	63
Parking and Other End-of-Trip Facilities	64
Education and Encouragement Programs	66
Enforcement	68
Plan Implementation	69

Chapter 7 Recommended Madison Urban Area and County Bicycle Facility Plans

A. Recommended Madison Urban Area Bicycle Facilities Plan	71
B. Recommended Countywide Bicycle Facilities Plan	85
C. Bicycle Plan Costs and Funding Sources	88
Bicycle Plan Costs	88
Bicycle Plan Funding Sources	101
D. Transportation Improvement Programming Process	106

Appendices

Appendix A: Design Guidelines for Bicycle Facilities

A. Introduction	A-1
Purpose of the Guidelines	A-1
Plan Policy Regarding Provision of Bicycle Facilities	A-1
Definitions	A-2
B. The Design Bicyclist	A-3
C. Types of Bicycle Facilities	A-3
Shared Roadways	A-3
Wide Curb Lanes	A-4
Wide Streets with Low Parking Occupancy	A-4
Signed Shared Roadway	A-5
Bicycle Boulevard	A-5
Bicycle Lanes	A-6
Location within Street Cross-Section and Width	A-7
Signing and Marking	A-7
Bicycle/Parking and Bus/Bicycle Lanes	A-8
Contra-Flow Bicycle Lanes	A-8
Bicycle Lane Treatments at Intersections	A-9
Retrofitting Streets with Bike Lanes	A-13
Paved Shoulders on Rural Roadways	A-14
Width Standards	A-14

Shared-Use Paths	A-15
Width and Clearance	A-16
Pavement Structure and Drainage	A-16
Curb Cuts	A-17
Path-Roadway Intersections	A-17
Undesirability of Sidewalk Bikeways	A-18
D. Traffic Signals	A-19
Signal Timing	A-19
Demand-Actuated Signals	A-19
Programmed Visibility Signals	A-20
E. Additional Design Considerations	A-20
Road Hazards	A-20
Drainage Grates and Utility Covers	A-20
At-Grade Railroad Crossings	A-20
Rumble Strips	A-21
Lighting	A-21
Structures	A-21
Roadway Bridges	A-21
Shared-Use Path Over/Underpasses	A-22
Traffic Calming Devices: Considerations for Bicyclists	A-22
Bicycle Network Continuity During Construction or Other Travel Disruptions	A-23
F. Maintenance	A-24
Pavement Surfaces	A-24
Removal of Debris	A-24
Snow and Ice Removal	A-24
Signs, Stripes, Legends	A-24
Encroaching Vegetation	A-24
G. Bicycle Parking	A-25
Dimensions and Location	A-25
Number of Spaces	A-25
Bicycle Racks	A-26

Appendix B: Bicycle Parking Rack Selection

Appendix C: Federal and State Discretionary Funding Sources for Bicycle Transportation Projects

Appendix D: List of Abbreviations

List of Tables

<u>Table</u>	<u>Page</u>
Chapter 3	
1 Transportation to Work: 1990	18
2 Trip Purpose Distribution	19
3 Distance That UW Students and Employees Who Commute by Bicycle Live from Campus	19
4 Bicycle Compatibility Index (BCI) Ranges Associated with Level of Service (LOS) Designations	24
Chapter 5	
5 Age Distribution of Bicyclists Involved in Crashes: Madison, Wisconsin 1987–1990	47
6 Bicycle-Motor Vehicle Crashes in Dane County by Municipality: 1994–1998	47
7 Bicycle Injury Rate by Speed of Motor Vehicle: Wisconsin 1989–1998	48
8 Bicyclist-Motorist Crashes by Crash Type: Madison, Wisconsin 1987–1990	49
Chapter 7	
9 Prioritized List of On-Street Bicycle Facility Improvement Needs in the Madison Urban Area	77
10 Prioritized List of Off-Street Bicycle Facility Improvement Needs in the Madison Urban Area	81
11 Key Project Links in Regional Bicycle Travel Corridors	86
12 Prioritized List of On-Street Bicycle Facility Improvement Needs in Dane County	95
13 Prioritized List of Off-Street Bicycle Facility Projects in Dane County	99
14 Unit Costs for Bicycle Facilities	102
15 Federal and State Funding Opportunities for Bicycle Facilities and Programs	105

List of Figures

<u>Figure</u>	<u>Page</u>
Chapter 3	
1 Existing Bicycle Facilities in the Madison Urban Area	26
2 Existing Bicycle Routes in the Madison Urban Area	28
3 Bicycle Compatibility of Madison Urban Area Roadways	30
4 Existing Conditions and Facilities for Bicyclists in Dane County	36
Chapter 7	
5 Madison Area Bicycle Facilities Plan	74
6 Madison Area Bicycle Route Plan	76
7 Key Project Links in Regional Bicycle Travel Corridors	90
8 Dane County Bicycle Facilities Plan	92
9 Dane County Bicycle Route Plan	94
