Quantity	Estimated water use of toilet(s) removed	Make/brand & model of toilet(s) installed	Model number of toilet(s) installed	Unit number(s) OR toilet location(s) (i.e. first floor bath)
	<input type="checkbox"/> 1.6 gallons/flush <input type="checkbox"/> 3.5 gallons/flush <input type="checkbox"/> 5+ gallons/flush			

## Receipt Submittal

In addition to this application, you must provide an **ORIGINAL** receipt as proof of payment. Please make copies for your own records.

### For toilets purchased directly from a store or retailer

- **Original** itemized cash register receipt, original credit card receipt, or sales invoice.
- Receipt must indicate the make and model purchased, cost, and method of payment.

### For toilets purchased through a plumber or contractor

- **Original** itemized invoice from the contractor, indicating:
  - Make, model, and cost of each toilet
  - Payment has been made in full and zero (\$0) balance remains; stamped or noted "Paid in Full".

## Rebate Agreement

I have read, understand, and agree to the terms and conditions in the Toilet Rebate Program description. I understand that funds are issued as a credit on the Madison Municipal Services Bill except in certain cases when the applicant is not the account holder. I understand that the Madison Water Utility, with prior notification, may inspect the premises to verify toilet installation(s).

Applicant Signature Job Title (Commercial rebates only) Date

## Program Overview

Madison Water Utility is offering bill credits of up to \$100 for customers who replace high water using toilets with EPA WaterSense-rated High Efficiency Toilet (HET) models. Toilets eligible for rebate must be HETs (which use 1.28 gallons or less per flush) and must be on the Environmental Protection Agency's (EPA) WaterSense list.

### Eligibility

- Participants in the program must be customers of Madison Water Utility, and the installation address must be in the customer service area of the utility.
- The program is for only one rebate in the form of a bill credit for one toilet per household or apartment unit.
- Commercial, industrial, and public authority customers are limited to 20 rebate bill credits per property address.
- Eligible replacement toilets must be HETs listed on the EPA WaterSense website ([epa.gov/watersense](http://epa.gov/watersense)). For commercial, industrial and public authority customers, only toilets purchased after January 1, 2016 are eligible.
- Rebates are for replacement of existing larger-capacity toilets, and are not for new construction.
- Rebates are first-come, first-served, until funding is exhausted.
- In cases where the toilet purchaser does not pay the property's Madison Municipal Services Bill, a rebate check will be issued. Examples include some rental property owners whose tenants pay their own water bill and condo owners whose water costs are included as part of a homeowners' association fee.

### Application

To apply for the rebate, you must submit the following:

- **For toilets purchased directly from a store or retailer:**  
Original itemized cash register receipt, original credit card receipt, or sales invoice indicating the make and model purchased, cost, and method of payment. (You should keep a photocopy for your records)
- **For toilets purchased through a plumber or contractor:**  
Original itemized invoice from the contractor, indicating:
  - Make, model, and cost of each toilet
  - Payment has been made in full and zero (\$0) balance remains; invoice should be stamped or noted "Paid in Full".
- A completed application form

These items must be mailed or delivered to the following address:

Madison Water Utility  
Toilet Rebate Program  
119 East Olin Avenue  
Madison, WI 53713

### Installation

Customers may install the toilets themselves, or they may hire a plumber or contractor to do the job. Customers are responsible for proper installation and associated costs. Installation may be subject to verification by water utility personnel. Toilets may be purchased at any supplier as long as they are on the WaterSense list of HETs.

### Rebates

Bill credits of up to \$100 (not to exceed actual purchase price) will appear on the customer's Madison Municipal Services bill after applications are processed. Please allow four to six weeks. Rebates are not available for the costs of installation.

### Disposal of Old Toilets

Replaced toilets should be disposed of so that they cannot be re-used. This can be done by placing them at the curb for pick-up by the Streets and Recycling Department.

For more information, call Madison Water Utility at (608) 266-4651.
